Standard I.A.4

The institution articulates its mission in a widely published statement approved by the governing board. The mission statement is periodically reviewed and updated as necessary. (ER 6)

Evidence of Meeting the Standard

Foothill College mission statement is reviewed and updated as necessary. Changes to the mission statement were approved by the Board of Trustees on June 17, 2013, February 8, 2016, and May 1, 2017 [[I.A-50](#), [I.A-51](#), [I.A-52](#)]. A periodic review of the mission statement is included in the Planning and Resource Council (PaRC) planning calendar and is scheduled to be completed before the next update to the Educational Master Plan [[I.A-1](#)].

Since the last accreditation visit in fall 2011, there have been three additional mission statement revisions. In each case, PaRC—representative of broad campus wide contingencies—reviewed proposals and discussed the mission in relationship to changing programs and student demographics.

The review begun in fall 2015 came as a result of broad campus input on educational goals as part of the development of the Educational Master Plan (EMP). The input included qualitative (focus groups and town hall feedback), as well as quantitative data (surveys) on our student populations [[I.A.53](#), [I.A-54](#), [I.A-55](#)].

The out-of-cycle review, which added that Foothill College offers a bachelor's degree, was in response to the new Bachelor's Degree program in Dental Hygiene approved by the College Curriculum Committee, PaRC and the Board of Trustees [[I.A-15](#)].

The mission statement is included on the College website and in the College catalog, and is printed in prominent places around campus [[I.A-56](#), [I.A-57](#), [I.A.53](#)]. According to the employee accreditation survey conducted in spring 2016, most Foothill College employees agree that the mission statement is periodically updated [[I.A-41](#)].

Analysis and Evaluation

Foothill College meets the Standard and Eligibility Requirement 6. The mission statement is reviewed periodically in a campus-wide dialogue that is informed by data and the mission statement is widely published. In addition, changes to the College mission statement are approved by the Board of Trustees.
