ABOUT US

Educators for Fair Consideration (E4FC)

E4FC's mission is to increase the number of low-income immigrant students graduating from college in the United States.

We believe education is a fundamental right of all people living in the United States, regardless of citizenship or residency status. We envision a U.S. educational system in which immigrant students who have successfully completed secondary schooling are given the information, encouragement, and financial resources necessary to pursue higher education. To realize this vision, we provide scholarships and advisory services to low-income immigrant students who have gained admission to and/or are currently enrolled in U.S. colleges. We help immigrant students become catalysts for change, by creating mentorship, arts, and service opportunities in their communities. We also engage in educational and outreach activities to increase public awareness and support for these students.

For more information about Educators for Fair Consideration (E4FC), please visit www.e4fc.org.

Mission Graduates

Mission Graduates (formerly St. John's) is a nonprofit organization that increases the number of K-12 students in San Francisco's Mission District who are prepared for and complete a college education.

Mission Graduates believes in:

- * Respect for young people and celebrating the gifts and talents of each individual
- * The power of education and its ability to improve lives and impact the community
- * Collaboration with families and schools to provide the most effective support system
- * Going beyond academics to best prepare youth for success in college
- * Grounding our work in the principles of youth development

Mission Graduates is building a community where every young person has the opportunity to discover their personal pathway through education.

For more information about Mission Graduates, please visit www.missiongraduates.org.
