VIII. Open Discussion Forum (questions/concerns regarding anything said during the meeting)

- A. Paulo Verzosa: ICC strongly advises clubs to choose their next school year officers now that way there is more of a smooth transition into the next school year. Clubs are meant to be hosting elections to determine officers, however, this will not be enforced. Just be mindful of having a fair environment where no one person feels at a disadvantage from another candidate due to unfair reasons. If there is or might be conflict within the club regarding elections, ICC is willing to be there to provide support and protect or offer support and protection through our resources.
- B. Paulo Verzosa: Fall 2024 Club Day's date is still to be determined, but it will most likely be the third week of the school year, so October 9th, 2024.
- C. Paulo Verzosa: Participate in New Student Orientation! Unlock the gateway to belonging: as a club leader at New Student Orientation, you're not just promoting your club, you're fostering a sense of home for every new face at Foothill. More details on how to participate will be talked about in next week's meeting.
- D. Victoria Strelnikova: The ICC Board will be sharing the Club of the Year criteria, application, voting process, etc with everyone by Thursday, 5/22/2024. Everyone will receive an email on Thursday about this.
