❖ **State Approval Received:** We recently received state approval for the noncredit certificate in Bridge to College ESL Pathway, which was approved by CCC in March, 2017. Congratulations to the ESLL department!

❖ **Foothill GE Form Revision Approved:** CCC approved revisions to our local General Education Review Request forms on February 20th. The revisions apply only to the section of the form completed by members of the GE subcommittees and will not affect faculty submitting the form. The new forms will soon be available on [the CCC website](#). As with all of our local forms, please ensure you're using the current version by downloading a fresh copy every time!

❖ **CLEP Process:** At the February 20th meeting, CCC discussed the topic of awarding credit for CLEP exams. Foothill is required to award CLEP credit for students who use the CSU GE pattern; however, we currently have no policy to award CLEP for our local GE pattern or courses, aside from math proficiency for the associate degree. We will be continuing the discussion over the course of the next few CCC meetings. To provide your own input, please contact your CCC Reps.
