To comply with AB 705, the reference to the English placement test has been replaced with “multiple measures.” This statement is used on CORs across campus, and the curriculum office will be updating all affected CORs before the end of the month, so that the new statement will be listed ahead of registration for spring 2019 quarter. If you have any questions, please contact your CCC Reps. Below is the full text of the new statement:

Demonstrated proficiency in English by placement via multiple measures OR through an equivalent placement process OR completion of ESLL 125 & ESLL 249.

- ❖ **Auto-awarding Degrees and/or Certificates:** At the February 5th meeting, CCC continued discussions on the topic of auto-awarding degrees and/or certificates to students who have completed the requirements. The next step will be to draft a policy or resolution on the topic. For more information, or to provide feedback, please contact your CCC Reps.

- ❖ **Credit by Exam:** Discussions about Credit by Exam also continued, at the February 5th meeting. The next step will be to determine the process by which a faculty member submits a course to be included in the list of Credit by Exam courses published in the college catalog. If you would like to contribute your ideas, please contact your CCC Reps.
