

College Curriculum Committee Meeting Agenda
Tuesday, April 19, 2022
2:00 p.m. – 3:30 p.m.
Meeting held virtually via Zoom

Item	Time*	Action	Attachment(s)	Presenter(s)
1. Reaffirmation of Remote Meetings Resolution	3 min.	Action	#4/19/22-1	Kuehnl
2. Minutes: March 15, 2022	2 min.	Action	#4/19/22-2	Kuehnl
3. Report Out from Division Reps	10 min.	Discussion		All
4. Public Comment on Items Not on Agenda (CCC cannot discuss or take action)	5 min.	Information		
5. Announcements a. New Course Proposals b. CORs for Update 2023-24 (Title 5 list) c. Foothill GE List for 2022-23 d. Spring Plenary Update e. AP/IB/CLEP Policy Changes	10 min.	Information	#4/19/22-3-5 #4/19/22-6 #4/19/22-7-8 #4/19/22-9 #4/19/22-10	CCC Team
6. New Program Application: Air Conditioning Mechanic AS Degree	5 min.	2nd Read/ Action	#4/19/22-11	Kuehnl
7. New Program Application: Test, Adjust and Balancing (TAB) Technician AS Degree		2nd Read/ Action	#4/19/22-12	Kuehnl
8. Guided Pathways Mapping Approval Process	10 min.	2nd Read/ Action	#4/19/22-13	Kuehnl
9. New Program Application: Infant and Toddler Development and Care CA	5 min.	1st Read	#4/19/22-14	Kuehnl
10. New Program Application: Nanny, Child, and Family Studies CA		1st Read	#4/19/22-15	Kuehnl
11. Request to Update AA/AS Degree Minimum Proficiency for Mathematics	20 min.	1st Read	#4/19/22-16	Kuehnl
12. Adding Equity Section to COR	20 min.	Discussion		Kuehnl
13. Good of the Order	3 min.			Kuehnl
14. Adjournment				Kuehnl

**Times listed are approximate*

- #4/19/22-15 New Program Application: Nanny, Child, and Family Studies CA
- #4/19/22-16 PSME Request to Update Minimum Proficiency in Mathematics

2021-2022 Curriculum Committee Meetings:

<u>Fall 2021 Quarter</u>	<u>Winter 2022 Quarter</u>	<u>Spring 2022 Quarter</u>
10/5/21	1/18/22	4/19/22
10/19/21	2/1/22	5/3/22
11/2/21	2/15/22	5/17/22
11/16/21	3/1/22	5/31/22
11/30/21	3/15/22	6/14/22

Standing reminder: Items for inclusion on the CCC agenda are due no later than one week before the meeting.

2021-2022 Curriculum Deadlines:

- ~~11/5/21~~ Deadline to submit certain types of course updates for 2022-23 catalog—[see PDF for details](#) (Faculty/Divisions).
- ~~11/5/21~~ Deadline to submit local GE applications for 2022-23 catalog (Faculty/Divisions).
- ~~12/1/21~~ Deadline to submit courses to CSU for CSU GE approval (Articulation Office).
- ~~12/1/21~~ Deadline to submit courses to UC/CSU for IGETC approval (Articulation Office).
- 4/15/22 Deadline to submit curriculum sheet updates for 2022-23 catalog (Faculty/Divisions).
- 6/1/22 Deadline to submit new/revised courses to UCOP for UC transferability (Articulation Office).
- 6/17/22 Deadline to submit course updates and local GE applications for 2023-24 catalog (Faculty/Divisions).
- Ongoing Submission of courses for C-ID approval and course-to-course articulation with individual colleges and universities (Articulation Office).

Distribution:

Micaela Agyare (LRC), Chris Allen (Dean, APPR), Ben Armerding (LA), Kathy Armstrong (PSME), Jeff Bissell (KA), Rachelle Campbell (BH), Anthony Cervantes (Dean, Enrollment Services), Roosevelt Charles (Dean, CNSL), Valerie Fong (Dean, LA), Evan Gilstrap (Articulation Officer), Hilary Gomes (FA), Allison Herman (LA; LRC), Kurt Hueg (Interim VP Instruction), Maritza Jackson Sandoval (CNSL), Julie Jenkins (BSS), Ben Kaupp (SRC), Eric Kuehnl (Faculty Co-Chair), Andy Lee (CNSL), Don Mac Neil (KA), Kathryn Maurer (AS President), Allison Meezan (BSS), Ché Meneses (FA), Brian Murphy (APPR), Tim Myres (APPR), Teresa Ong (AVP Workforce), Lisa Schultheis (BH), Ram Subramaniam (Administrator Co-Chair), Kella Svetich (LA), Mary Vanatta (Curriculum Coordinator), Anand Venkataraman (PSME)

COLLEGE CURRICULUM COMMITTEE

Committee Members – 2021-22

Meeting Date: 4/19/22Co-Chairs (2)

<input checked="" type="checkbox"/>	Eric Kuehnl	7479	Vice President, Academic Senate (tiebreaker vote only)	kuehneric@fhda.edu
<input checked="" type="checkbox"/>	Ram Subramaniam	7472	Interim Associate Vice President of Instruction	subramaniamram@fhda.edu

Voting Membership (1 vote per division)

<input type="checkbox"/>	Micaela Agyare	7086	LRC	agyaremicaela@fhda.edu
<input type="checkbox"/>	Ben Armerding	7453	LA	armerdingbenjamin@fhda.edu

FOOTHILL COLLEGE
College Curriculum Committee
Resolution Authorizing Remote Teleconference Meetings Pursuant to Brown
Act Provisions Included in Assembly Bill (AB) 361 (Rivas)

WHEREAS, the Foothill-De Anza Community College District is committed to preserving and nurturing public access and participation in meetings of the Foothill College Curriculum Committee; and

WHEREAS, all meetings of Foothill-De Anza Community College District's legislative bodies, which include the Foothill Academic Senate and its autonomous subcommittee, the College Curriculum Committee, are open and public, as required by the Ralph M. Brown Act (Cal. Gov. Code 54950–54963), so that any member of the public may attend, participate, and watch the District's legislative bodies conduct their business; and

WHEREAS, the Brown Act, Government Code section 54953(e), makes provisions for remote participation in meetings by members of a legislative body, without compliance with the requirements of Government Code section 54953(b)(3), subject to the existence of certain conditions; and

WHEREAS, a required condition is that a state of emergency is declared by the Governor pursuant to Government Code section 8625, proclaiming the existence of conditions of disaster or of extreme peril to the safety of persons and property within the state caused by conditions as described in Government Code section 8558; and

WHEREAS, a proclamation is made when there is an actual incident, threat of disaster, or extreme peril to the safety of persons and property within the jurisdictions that are within the District's boundaries, caused by natural, technological, or human-caused disasters; and

WHEREAS, it is further required that state or local officials have imposed or recommended measures to promote social distancing, or, the legislative body meeting in person would present imminent risks to the health and safety of attendees; and

WHEREAS, on March 4, 2020, Governor Gavin Newsom declared a statewide emergency arising from the coronavirus (COVID-19); and

WHEREAS, on March 17, 2020, the Board of Trustees of Foothill-De Anza Community College District officially declared a state of emergency for the district; and

WHEREAS, on March 17, 2020, Governor Newsom issued Executive Order N-29-20

suspending certain provisions of the Brown Act pertaining to teleconferenced meetings; and

WHEREAS, following the issuance of Executive Order N-29-20, the Foothill College Curriculum Committee began to conduct all public meetings virtually using the Zoom teleconference platform and has continued conducting all public meetings virtually since that time; and

WHEREAS, on June 11, 2021, Governor Newsom issued Executive Order N-08-21, which indicated that the authorization for holding virtual meetings outlined in Executive Order N-29-20 would expire on September 30, 2021; and

WHEREAS, on September 16, 2021, Governor Newsom signed Assembly Bill (AB) 361 (Rivas) as urgency legislation to be effective immediately, which provides that legislative bodies may continue to meet remotely during a declared State of Emergency subject to certain conditions; and

WHEREAS, AB 361 amends the Brown Act (Government Code Section 54953) to add the following:

(e)(1) A local agency may use teleconferencing without complying with the requirements of paragraph (3) of subdivision (b) if the legislative body complies with the requirements of paragraph (2) of this subdivision in any of the following circumstances:

(A) The legislative body holds a meeting during a proclaimed state of emergency, and state or local officials have imposed or recommended measures to promote social distancing.

(B) The legislative body holds a meeting during a proclaimed state of emergency for the purpose of determining, by majority vote, whether as a result of the emergency, meeting in person would present imminent risks to the health or safety of attendees.

(C) The legislative body holds a meeting during a proclaimed state of emergency and has determined, by majority vote, pursuant to subparagraph (B), that, as a result of the emergency, meeting in person would present imminent risks to the health or safety of attendees; and

WHEREAS, AB 361 amends the Brown Act (Government Code section 54953) to add the following:

(3) If a state of emergency remains active, or state or local officials have imposed or recommended measures to promote social distancing, in order to continue to teleconference without compliance with paragraph (3) of subdivision (b), the legislative body shall, not later than 30 days after teleconferencing for the first time pursuant to subparagraph (A), (B), or (C) of paragraph (1), and every 30 days thereafter, make the following findings by majority vote:

(A) The legislative body has reconsidered the circumstances of the state of emergency.

(B) Any of the following circumstances exist:

- (i) The state of emergency continues to directly impact the ability of the members to meet safely in person.
- (ii) State or local officials continue to impose or recommend measures to promote social distancing.

NOW, THEREFORE, BE IT RESOLVED, that the Foothill College Curriculum Committee finds that the March 4, 2020, declaration of a State of Emergency due to the COVID-19 pandemic by Governor Gavin Newsom remains active and that the state of emergency continues to directly impact the ability of members of the public to meet safely in person.

BE IT FURTHER RESOLVED, that the Foothill College Curriculum Committee authorizes the continuation of virtual meetings pursuant to Assembly Bill 361 (Rivas); and

BE IT FURTHER RESOLVED, that this resolution shall take effect immediately upon its adoption and shall be effective until the earlier of 90 days from the date of adoption or such time the Foothill College Curriculum Committee adopts a subsequent resolution in accordance with Government Code section 54953(e)(3) to extend the time during which the Foothill College Curriculum Committee may continue to teleconference without compliance with paragraph (3) of subdivision (b) of Government Code section 54953.

**College Curriculum Committee
Meeting Minutes
Tuesday, March 15, 2022
2:00 p.m. – 3:30 p.m.
Meeting held virtually via Zoom**

Item	Discussion
1. Reaffirmation of Remote Meetings Resolution	<p>Speaker: Eric Kuehnl CCC approved Resolution Authorizing Remote Teleconference Meetings Pursuant to Brown Act Provisions Included in AB 361 at Oct. 5th meeting and reaffirmed at Nov. 16th, Jan. 18th & Feb. 15th meetings. If we wish to continue to meet virtually, we are required to reaffirm it every 30 days. We'll most likely be holding hybrid meetings, when we start back up in April.</p> <p>Motion to approve M/S (Armerding, Venkataraman). Approved.</p>
2. Minutes: March 1, 2022	Approved by consensus.
3. Report Out from Division Reps	<p>Speaker: All Apprenticeship: Recently hired new coordinators at Pipe Trades facility; no other updates to report.</p> <p>BSS: No updates to report; working on curriculum sheets.</p> <p>Counseling: No updates to report.</p> <p>SRC: No updates to report.</p> <p>Fine Arts: Working on curriculum sheets. Art dept. working on edits to Program Map, with help from Guided Pathways Team. Going to start having 15-minute conversations at each division CC meeting re: equity, as a regular part of meetings.</p> <p>Kinesiology: No updates to report.</p> <p>Language Arts: Upcoming LACC/LRCCC dual retreat—focus on equity in the COR, especially Methods of Evaluation & Methods of Instruction; will discuss AB 705 incl. revising/reconfiguring of courses. Working on curriculum sheets. Armerding will be on PDL for spring quarter; Herman & Svetich will be reps.</p> <p>LRC: Library open extended hours this week (9-7). Recently brainstormed hybrid workshops between library and tutoring, for spring quarter.</p> <p>PSME: Trying to figure out how to handle MATH 105 on curriculum sheets, in Associate Degree Requirements section—Vanatta responded that faculty/reps should not be editing this section, as it is the same across all and CCC must first approve any changes (e.g., adding ESLL 26, which CCC approved recently). If changes end up needing to be made, Vanatta will apply them to all sheets. Rep also anticipating issues re: MATH 105 being listed as a prereq, and will await further info. from Gilstrap and others.</p> <p>Vanatta shared she expects to have the Title 5 list ready this week; will email to reps and deans.</p> <p>Subramaniam mentioned Kurt Hueg can't attend today's meeting, so he is filling in as admin co-chair.</p> <p>Gilstrap responded to PSME rep's comment re: language for MATH 105</p>

	<p>prereqs—attended regional meeting for Articulation Officers last week and learned that Cabrillo College using “Intermediate Algebra” language and has received approval for transfer GE and C-ID for courses using this language. Seems promising, and Gilstrap can work w/ faculty to make similar adjustments.</p>
<p>4. Public Comment on Items Not on Agenda</p>	<p>No comments.</p>
<p>5. Announcements a. New Course Proposals b. Spring Plenary Resolutions</p>	<p>Speakers: CCC Team The following proposals were presented: AATA 101A, 101B, 102A, 102B, 103A, 103B, 104A, 104B, 105A, 105B, 105C, 105R; ETHN 7, 8; MATH 80, 280; NCP 404A, 404B, 404C; RSPT 300, 304, 305, 306. Please share with your constituents. No comments.</p> <p>Resolutions packet was attached as info item. Please reach out to Kuehnl or Academic Senate President Kathryn Maurer with any questions or feedback for them to take to area meeting.</p>
<p>6. Course Deactivation Exemption Requests</p>	<p>Speaker: Eric Kuehnl List of courses not taught in four years was distributed via email on Feb. 2nd; divisions submitted requests to exempt courses, per Policy on Course Currency. Requests for the following courses were reviewed and voted on as a group, with the option to pull any course for individual discussion/vote: ACTG 68C; ANTH 67B; APPT 125, 126, 128; APSM 130, 131, 132, 133, 134; BUSI 19, 53, 90A; CHLD 54C; CNSL 89; C S 52B, 80A, 82A, 84B; EMS 200; GEOG 11; HIST 19, 20; HORT 54D, 60G, 90A, 90E, 90F, 90K, 90L; LINC 81A; MDIA 31, 52; MTEC 66A, 70G, 80B, 80C; MUS 3D, 47A, 47B, 47C, 47D; NCEL 403B; PHDA 24; PHED 15C, 21D, 21E, 40, 40A, 40C, 42; PHOT 68E, 78A, 78B, 78C, 78D; PSYC 54H; R T 71; THTR 7, 26.</p> <p>PSME rep reminded the group that this policy didn’t always exist and was created to minimize courses being listed in the catalog which are never offered—can be an issue for students trying to plan. Suggested perhaps since the dean is approving the form, there’s hope the course may actually be offered, but cautioned against simply continuing to approve these. Wondered if COVID caused so many courses to be on this year’s list.</p> <p>Other PSME rep noted that in some cases there aren’t enough instructors to offer full suite of courses in the catalog, and lack of student interest can also have an impact. Suggested we list in the catalog only courses which dean is planning to actually schedule. Kuehnl acknowledged the suggestion but noted catalog meant to serve as a record of all courses college offers, and added that publishing simply a selection of courses would be tricky.</p> <p>Fine Arts rep mentioned their recent work w/ Guided Pathways Team has brought to light need to ensure offering courses listed on Program Map. Agrees that many courses couldn’t be scheduled during the past few years, due to COVID restrictions not allowing for face-to-face offerings.</p> <p>Vanatta responded to PSME rep’s suggestion about the catalog, agreeing with Kuehnl and adding would be very difficult to have catalog reflect upcoming schedule, due to schedule changes being made up to the last possible minute; college is not legally allowed to offer a course which is not listed in the catalog. Also noted that any course listed on a curriculum sheet must be included in the catalog, and that some programs have a large number of support courses (e.g., Horticulture).</p> <p>No discussion occurred regarding any specific requests.</p> <p>Motion to approve M/S (Murphy, Armerding). Approved.</p>

<p>7. New Program Application: Air Conditioning Mechanic AS Degree</p>	<p>Speaker: Eric Kuehnl First read of new Air Conditioning Mechanic AS degree. Apprenticeship rep noted program will be an opportunity for students to take additional coursework above the existing certificate of achievement, to earn degree.</p> <p>Second read and possible action will occur at next meeting.</p>
<p>8. New Program Application: Test, Adjust and Balancing (TAB) Technician AS Degree</p>	<p>Speaker: Eric Kuehnl First read of new Test, Adjust and Balancing (TAB) Technician AS degree. No comments.</p> <p>Second read and possible action will occur at next meeting.</p>
<p>9. Adding Equity Section to COR</p>	<p>Speaker: Eric Kuehnl Vanatta reached out to colleagues at other colleges to find out what they do to include equity on the COR; Kuehnl shared example of Mendocino College’s “Cultural Audit Review Process”—has seven questions to guide faculty in evaluating COR from equity perspective (e.g., does course description include diverse representation and have meaningful/accessible language for students?). Another college shared that their faculty are re-writing course descriptions to “directly address” students. Kuehnl noted many items in Mendocino’s process similar to what Foothill has addressed through Professional Development sessions. Mendocino’s process includes SLOs—do they incorporate clear/precise language for diverse students?; do students understand what the outcome is? Kuehnl noted sometimes faculty tend to write SLOs for faculty audience.</p> <p>PSME rep asked if any of these items going to be mandatory, meaning that if item is required to include on COR will faculty be required by law to teach the item? Expressed concern about overcompensation when it comes to courses for which these items are “irrelevant.” Kuehnl responded it is completely up to us, locally, to determine how to incorporate equity into the COR—maybe a specific field, maybe a yes/no question about equity consideration, but it’s our decision. PSME rep clarified they’re in favor of considering equity but concerned about overcompensation. Kuehnl believes important to encourage consideration of equity issues, even in areas where in the past folks didn’t think that equity was relevant, and agreed we don’t want to overcompensate or have a “heavy hand.”</p> <p>BSS rep asked Gilstrap whether certain changes to language (re: student-centered) could result in articulation-related issues. Noted previous push-back from UC, in particular, re: needing to include specific terminology and ensuring use of technical language. Gilstrap responded that articulation is layered (transferability approval, transfer GE, C-ID, course-to-course), so response depends on a few factors. For transfer GE, we can look at the reviewers’ guiding notes to see what reviewer for a specific area will be looking for. Noted ASCCC trying to work more collaboratively w/ UCs & CSUs on equity language, but nothing concrete yet. Biggest factor may be course-to-course, as we cannot put ourselves in the mind of an individual faculty member at a UC/CSU. Believes since there is an initiative to move to more equity-driven CORs, could be good idea to balance equity considerations w/ technical language which certain reviewers want to see.</p> <p>Fine Arts rep mentioned they’re on Committee on Online Learning (COOL) subcommittee re: online equity; group drafted Online Equity Affirmation, which acknowledges need for CORs to be updated before online equity changes can be made. Suggested CCC reach out to COOL to discuss. Apprenticeship rep asked if the plan is to require every COR to have equity component; unsure how their division’s CORs could comply and wonders if they could be excluded—Kuehnl responded this decision/process is up to us to determine, and right now we’re discussing possibilities. At one</p>

	<p>extreme, could be recognition/acknowledgement that equity has been considered during COR creation/review; at another, could be new section added to the COR. Noted faculty do have some flexibility in their specific teaching of a course.</p> <p>PSME rep noted they reached out to Dean of Online Learning Lené Whitley-Putz re: affirmation, who responded it isn't a requirement for faculty to make specific updates to CORs. Kuehnl noted equity is also related to how faculty teach classes. PSME rep suggested perhaps equity not be specified on COR but captured by support services, to ensure those students who need it have access. Fong suggested the group unpack the various ways equity appears on CORs, as well as what is meant by equity vs. culturally-responsive teaching, etc. Noted Mendocino's process has equity manifesting in different ways—content-related (SLOs), as well as in things such as assignments which are more like universal design. Cautioned against lumping all possibilities together as “equity in the COR,” as there are many aspects to COR. Believes support for faculty (through Professional Development, etc.) will be necessary to incorporate any planned changes.</p> <p>Fine Arts rep agreed faculty training/PD is helpful, and added that training for curriculum reps will be needed so they may properly guide and advise faculty. Other PSME rep mentioned Distance Learning Addendum; believes an Equity Addendum could be useful but needs to be well thought-out to be effective. Main concern is academic freedom. Believes having addendum with carefully-worded ideas on how to bring equity into COR would be helpful and there is a way to create one that's not too prescriptive. Kuehnl clarified that the rep is suggesting we use a separate addendum—rep responded not necessarily, but could be hard to integrate into COR, so perhaps a separate section of the COR.</p> <p>Other Fine Arts rep mentioned equity informs every facet of faculty's work, from assessment to relationships w/ students. Believes this work must come from faculty, but the starting point is curriculum and the standards we set, and then how we enforce/apply those standards. Need to be mindful of inclusivity. Noted that, with finals week coming up, ensuring faculty available to their students when they're needed is an equity-related issue.</p> <p>Kuehnl stated that although CCC cannot make equity “happen” around campus, group does have the ability to decide how we want to incorporate it into curriculum. Conversation will continue and will take time; important not to rush it, but at some point we'll need to make a decision on how to move forward.</p>
<p>10. Guided Pathways Mapping Approval Process</p>	<p>Speaker: Eric Kuehnl First read of Guided Pathways Program Mapping Process. Guests from the Guided Pathways (GP) Team: Amy Leonard, Isaac Escoto, Natalie Latteri. Escoto began conversation with related topic—Foothill moving forward with Program Pathways Mapper software; as we prepare for all of the work to upload info. into software for the fall, need to determine how best to move forward. Plan is to consider all Program Maps created last year as “ready,” with the caveat that if a dept. doesn't feel comfortable with a specific Map, we delay it and make some tweaks (e.g., recent work on Art dept. Map). Kuehnl asked if this would be a consent calendar type of approach—Escoto responded perhaps action not needed and GP Team may move forward unless a dept. wishes to make changes first. Latteri added that if folks want to modify a Map, please reach out to GP Team ASAP. Leonard shared link to Canvas page with all Maps.</p> <p>Draft process was discussed at previous meeting; Leonard incorporated</p>

	<p>feedback for first read. Main change to move step involving collaboration w/ other depts. earlier in process. Reminded the group that process will be used for both creation of new Map and update of existing Map; updating process could potentially go quicker, depending on nature of changes. Escoto noted discussion w/ dean occurs early in process, in response to feedback from deans. Leonard noted there will still be a GP Lead for next year, but if that position is removed in the future process can be updated. PSME rep concerned that not everyone has reviewed Maps and asked if everyone has had access—Leonard responded Maps have been shared many times and dept. chairs were closely involved in Map creation, but suggested perhaps certain dept. chairs didn't share out with wider faculty. Also mentioned additional work during fall quarter to update some Maps. PSME rep doesn't believe Maps have been discussed at the division-level, in their division. Escoto asked rep to please reach out w/ list of Maps which need attention/revision before being incorporated into Mapper software.</p> <p>Leonard noted CCC requested online form, and noted information/fields which will be included on form. Escoto acknowledged that signatures can sometimes be uncomfortable but believes need to ensure that everyone involved in process is included in form workflow. Leonard shared planned workflow for form, noting that during workflow folks will have option to reject and add comments, which will move form back to previous step. Escoto noted that within Mapper software, language will be used to explain that at times a course listed on a Map might not be able to be offered—has heard some concerns from faculty, which prompted this idea. Kuehnl asked the group to please share with their constituents and noted that changes are still possible before the group votes to approve.</p> <p>Second read and possible action will occur at next meeting.</p>
11. Good of the Order	
12. Adjournment	3:22 PM

Attendees: Micaela Agyare (LRC), Chris Allen (Dean—APPR), Ben Armerding (LA), Kathy Armstrong (PSME), Jeff Bissell (KA), Rachelle Campbell (BH), Roosevelt Charles (Dean—CNSL), Isaac Escoto (CNSL), Valerie Fong (Dean—LA), Evan Gilstrap (Articulation Officer), Hilary Gomes (FA), Allison Herman (LA & LRC), Maritza Jackson Sandoval (CNSL), Julie Jenkins (BSS), Ben Kaupp (SRC), Eric Kuehnl (Faculty Co-Chair), Natalie Latteri (BSS), Amy Leonard (De Anza), Don Mac Neil (KA), Allison Meezan (BSS), Ché Meneses (FA), Brian Murphy (APPR), Tim Myres (APPR), Ram Subramaniam (Interim AVP Instruction), Mary Vanatta (Curriculum Coordinator), Anand Venkataraman (PSME)

Approved for 1SR Curriculum Rep

Course Proposal Form

Faculty Author Lynnette Vega

Effective Term Summer 2023

Subject Adaptive Learning: Community Based Course Number F452Y
(ALCB)

Department Adaptive Learning (A L)

Division Student Resource and Support Programs
(1SR)

Units 0

Hours 24 lecture hours per quarter

Course Title MULTI-MEDIA VISUAL ART

Short Title

Proposed None
Transferability

Proposed By offering a variety of techniques and options (painting, drawing, collage, plastic-clay,
Description and etc.), this multi-media art class will encourage the challenged student to develop their
Requisites: creative potential. Activities in the class are designed to enhance physical skills,
cognitive awareness and enables the student to develop independent creative thinking.

Proposed Specialized Instruction (Disabled Student Programs and
Discipline Services): Noncredit

To which Degree(s) or Certificate(s) would this course potentially be added?
None

Are there any other departments that may be impacted from the addition of
this course?
No

Comments & Other Relevant Information for Discussion:

Unlike other art classes, this class will be tailored and adapted to the abilities of
challenged adults.

Hilary Gomes (gomesihilary):
Approved for 1FA Curriculum Rep

Course Proposal Form

Faculty Author Hilary Gomes

Effective Term Summer 2023

Subject Art (ART) Course Number F019G

Department Art (ART)

Division Fine Arts and Communication (1FA)

Units 4

Hours 3 hours lecture and 3 hours lab

Course Title OUTDOOR LANDSCAPE PAINTING

Short Title

Proposed Transferability UC/CSU

Proposed Description and Requisites: Plein Air Outdoor Painting introduces beginning artists to the core concepts and techniques of painting outdoor landscapes and nature subjects in the open air on location. Students will be completing small-scale one-sitting landscape paintings from observation. Lectures will consist of the art of Plein Air, Plein air societies and communities, and Plein air painting demonstrations. All painting mediums are welcome.

Proposed Discipline Art

To which Degree(s) or Certificate(s) would this course potentially be added?
This course would be a support elective course for the Art Certificate of Achievement and Art AA degree.

Are there any other departments that may be impacted from the addition of this course?

No

Comments & Other Relevant Information for Discussion:

There is a large demand for Plein air painting in the bay area, in the Los Altos community, and Carmel areas. The goal would be to attract more students to come to our beautiful campus and paint from local landscapes as well as local field trips. This course can be offered in many modalities (in person, online, hybrid, or synchronous.) This is a credit course in local community colleges such as the College of San Mateo.

Curriculum Rep

Course Proposal Form

Faculty Author Amber La Piana

Effective Term Summer 2023

Subject English (ENGL) Course Number F010B

Department English (ENGL)

Division Language Arts (1LA)

Units 4

Hours 4 hours lecture

Course Title CLIMATE FICTION

Short Title

Proposed Transferability UC/CSU

Proposed Description and Requisites: An introduction to the relationship between climate and literature through the study of global fiction. Traces the emergence of climate change fiction as a cultural phenomenon related to global warming and the convergence of the literary and digital spheres. Analysis of formal and stylistic conventions of literary texts and films, climate change rhetoric, and the relationship between identity and climate justice within scientific, historical, geopolitical, and aesthetic contexts.

Advisory: Demonstrated proficiency in English by placement via multiple measures OR through an equivalent placement process OR completion of ESLL 125 & ESLL 249.

Proposed Discipline English

To which Degree(s) or Certificate(s) would this course potentially be added?

English
May be a good GE course for:
Biological Sciences
Environmental & Horticultural Design
Environmental Science
General Studies - Science
Geographic Information Systems Technology
Geography
Global Studies
Social Justice
Veterinary Tech

Are there any other departments that may be impacted from the addition of this course?

No

Comments & Other Relevant Information for Discussion:

Checking on viability as transfer for a genre course (like ENGL 14).

FOOTHILL COLLEGE GENERAL EDUCATION & GRADUATION REQUIREMENTS

The Foothill College general education (GE) pattern is designed to ensure that students meet the four institutional/general education student learning outcomes:

- 1. Communication:** Demonstrate analytical reading and writing skills, including evaluation, synthesis and research; deliver focused and coherent presentations; and demonstrate active, discerning listening and speaking skills in lectures and discussions.
- 2. Computation:** Demonstrate complex problem-solving skills, technology skills, computer proficiency and decision analysis through synthesis and evaluation; apply mathematical concepts and reasoning; and analyze and use numerical data.
- 3. Creative, Critical & Analytical Thinking:** Demonstrate judgment, decision-making skills and intellectual curiosity; demonstrate problem-solving skills through analysis, synthesis and evaluation; develop creativity and aesthetic awareness; conduct research methodology; and identify and respond to a variety of learning styles and strategies.
- 4. Community/Global Consciousness & Responsibility:** Demonstrate social perceptiveness, including citizenship, community service, cultural awareness, empathy, ethics, interpersonal skills, personal integrity, respect, self-esteem and sensitivity; and exhibit interest in and pursuit of lifelong learning.

Completion of the Foothill College general education pattern requires that students successfully earn a minimum of 30 units from the courses listed below, with at least one course in humanities, English, natural sciences (with laboratory), social and behavioral sciences, communication and analytical thinking, United States cultures and communities, and two courses in lifelong learning from two different academic departments. Courses may only be used in one area.

Code	Title	Units
I. Humanities		
ART 1	INTRODUCTION TO ART	4.5

or HUMN 7H	HONORS GLOBAL RELIGIONS: CONTEMPORARY PRACTICES & PERSPECTIVES		PHIL 24	COMPARATIVE WORLD RELIGIONS: EAST	4
HUMN 8	EX MACHINA: THE PARADOX OF BEING HUMAN IN THE DIGITAL AGE	4	PHIL 25	COMPARATIVE WORLD RELIGIONS: WEST	4
HUMN 9	ONCE UPON A TIME? THE IMMORTAL LURE OF FAIRY TALES	4	PHOT 5	INTRODUCTION TO PHOTOGRAPHY	4
HUMN 10	ON THE MOVE: THE IMMIGRANT EXPERIENCE IN LITERATURE, FILM & MULTIMEDIA	4	PHOT 8	PHOTOGRAPHY OF AMERICAN CULTURES	5
HUMN 11	INTRODUCTION TO POPULAR CULTURE	4	or PHOT 8H	HONORS PHOTOGRAPHY OF AMERICAN CULTURES	
or HUMN 11H	HONORS INTRODUCTION TO POPULAR CULTURE		PHOT 10	HISTORY OF PHOTOGRAPHY	4
HUMN 13	VIDEO GAMES & POPULAR CULTURE	4	or PHOT 10H	HONORS HISTORY OF PHOTOGRAPHY	
HUMN 14	THE ART OF PEACE: NARRATIVE REPRESENTATIONS OF PACIFISM	4	PHOT 11	CONTEMPORARY ISSUES IN PHOTOGRAPHY	4
JAPN 14A	ADVANCED CONVERSATION I	4	or PHOT 11H	HONORS CONTEMPORARY ISSUES IN PHOTOGRAPHY	
JAPN 14B	ADVANCED CONVERSATION II	4	SPAN 4	INTERMEDIATE SPANISH I	5
KINS 5	SPORTS & CINEMA	4	SPAN 5	INTERMEDIATE SPANISH II	5
MDIA 1	INTRODUCTION TO FILM STUDIES	4	SPAN 6	INTERMEDIATE SPANISH III	5
or MDIA 1H	HONORS INTRODUCTION TO FILM STUDIES		SPAN 13A	INTERMEDIATE CONVERSATION I	4
MDIA 2A	HISTORY OF FILM 1895-1945	4	SPAN 13B	INTERMEDIATE CONVERSATION II	4
MDIA 2B	HISTORY OF FILM 1945-CURRENT	4	SPAN 14A	ADVANCED CONVERSATION I	4
MDIA 2C	CURRENT TRENDS IN FILM, TV & THE INTERNET	4	SPAN 14B	ADVANCED CONVERSATION II	4
MDIA 4	EXPERIMENTAL FILM & VIDEO	4	THTR 1	INTRODUCTION TO THEATRE	4
MDIA 7	DOCUMENTARY FILM	4	THTR 2A	HISTORY OF DRAMATIC LITERATURE: CLASSICAL TO MOLIÈRE	4
MDIA 11	INTRODUCTION TO POPULAR CULTURE	4	THTR 2F	HISTORY OF AMERICAN MUSICAL THEATRE	4
or MDIA 11H	HONORS INTRODUCTION TO POPULAR CULTURE		THTR 8	MULTICULTURAL THEATRE ARTS IN MODERN AMERICA	4
MDIA 13	VIDEO GAMES & POPULAR CULTURE	4	THTR 26	INTRODUCTION TO FASHION HISTORY & COSTUME DESIGN	4
MUS 1	INTRODUCTION TO MUSIC	4	II. English		
MUS 2A	GREAT COMPOSERS & MUSIC MASTERPIECES	5	ENGL 1A	COMPOSITION & READING	5
or MUS 2AH	HONORS GREAT COMPOSERS & MUSIC MASTERPIECES		or ENGL 1AH	HONORS COMPOSITION & READING	
			ENGL 1S	INTEGRATED COMPOSITION & READING	8
			& ENGL 1T	and INTEGRATED COMPOSITION & READING	
			ESLL 26	ADVANCED COMPOSITION & READING	5

Additionally, students who complete the major requirements for the Apprenticeship - Plumbing Technology program will satisfy Area II.

III. Natural Sciences (with Laboratory)

ANTH 1 & 1L	INTRODUCTION TO PHYSICAL ANTHROPOLOGY and PHYSICAL ANTHROPOLOGY LABORATORY	5
or ANTH 1H & 1HL	HONORS INTRODUCTION TO PHYSICAL ANTHROPOLOGY and HONORS PHYSICAL ANTHROPOLOGY LABORATORY	
ANTH 13 & 13L	INTRODUCTION TO FORENSIC ANTHROPOLOGY and FORENSIC ANTHROPOLOGY LABORATORY	5
ASTR 10A & ASTR 10L	GENERAL ASTRONOMY: SOLAR SYSTEM and ASTRONOMY LABORATORY	6
ASTR 10B & ASTR 10L	GENERAL ASTRONOMY: STARS, GALAXIES, COSMOLOGY and ASTRONOMY LABORATORY	6
or ASTR 10BH & ASTR 10L	HONORS GENERAL ASTRONOMY: STARS, GALAXIES, COSMOLOGY and ASTRONOMY LABORATORY	
BIOL 9 & 9L	ENVIRONMENTAL BIOLOGY and ENVIRONMENTAL BIOLOGY LABORATORY	5
BIOL 10	GENERAL BIOLOGY: BASIC PRINCIPLES	5
BIOL 13	MARINE BIOLOGY	5
BIOL 14	HUMAN BIOLOGY	5
BIOL 15	CALIFORNIA ECOLOGY/NATURAL HISTORY	5
BIOL 41	MICROBIOLOGY	6
CHEM 1A	GENERAL CHEMISTRY	5
CHEM 25	FUNDAMENTALS OF CHEMISTRY	5
CHEM 30A	SURVEY OF INORGANIC & ORGANIC CHEMISTRY	5
GEOG 1	PHYSICAL GEOGRAPHY	5
PHYS 2A	GENERAL PHYSICS	5
PHYS 4A	GENERAL PHYSICS (CALCULUS)	6
PSE 20	INTRODUCTION TO PHYSICAL SCIENCE	5

Additionally, students who complete the major requirements for the Apprenticeship - Plumbing Technology program will satisfy Area III.

IV. Social and Behavioral Sciences

ANTH 2A	CULTURAL ANTHROPOLOGY	4
or ANTH 2AH	HONORS CULTURAL ANTHROPOLOGY	
ANTH 2B	PATTERNS OF CULTURE	4
ANTH 3	WORLD PREHISTORY: THE RISE & FALL OF EARLY CIVILIZATIONS	4
ANTH 5	MAGIC, SCIENCE & RELIGION	4
ANTH 8	INTRODUCTION TO ARCHAEOLOGY	4
or ANTH 8H	HONORS INTRODUCTION TO ARCHAEOLOGY	
ANTH 12	APPLIED ANTHROPOLOGY	4
ANTH 14	LINGUISTIC ANTHROPOLOGY	4
ANTH 15	MEDICAL ANTHROPOLOGY: METHODS & PRACTICE	4
ANTH 20	NATIVE PEOPLES OF CALIFORNIA	4
ANTH 22	THE AZTEC, MAYA, INCA & THEIR PREDECESSORS: CIVILIZATIONS OF THE AMERICAS	4
BUSI 22	PRINCIPLES OF BUSINESS	5
or BUSI 22H	HONORS PRINCIPLES OF BUSINESS	
BUSI 53	SURVEY OF INTERNATIONAL BUSINESS	4

Additionally, students who complete the major requirements for the Apprenticeship - Plumbing Technology program will satisfy Area VII.

Minimum proficiency: ENGL 1A or ENGL 1AH or ENGL 1S and ENGL 1T or ESLL 26; MATH 105¹ or MATH 180 or any MATH course approved for Foothill GE Area V, Communication and Analytical Thinking.

¹ Intermediate Algebra or equivalent means MATH 105 or completion of a higher-level course with a grade of "C" or better.

It is imperative to note that the Foothill College general education pattern is only appropriate for students pursuing the Foothill College associate in arts or associate in science degree. However, it is not appropriate for students pursuing an A.A.–T or A.S.–T degree. Students planning to earn an A.A.–T or A.S.–T must complete either the IGETC or CSU GE Breadth general education pattern. Note that completion of the IGETC or CSU GE Breadth pattern may also be used to satisfy the general education requirements for the Foothill A.A./A.S. degree. **Because there are significant differences between the three patterns, students are strongly advised to meet with a counselor to determine which pattern will best meet the student's goals.**

Effective Summer Session 2022

4/19/22

**FOOTHILL COLLEGE
CHANGES TO GENERAL EDUCATION & GRADUATION REQUIREMENTS 2022-23**

Area I - Humanities

- Added: ENGL 10A, ENGL 12A, ETHN 4, HUMN 10, HUMN 11*, HUMN 11H*, HUMN 13*, HUMN 14
- Removed (deactivated): ENGL 41, MUS 7, MUS 7D, MUS 11F, PHIL 12, THTR 2B, THTR 12A

Area II - English

- Added: ESLL 26

Area III - Natural Sciences (with laboratory)

- Removed (deactivated): CHEM 1AH, CHEM 9

Area IV - Social & Behavioral Sciences

- Added: ANTH 8H*, PSYC 2
- Removed (deactivated): HIST 4CH

Area V - Communication & Analytical Thinking

No changes

Area VI - United States Cultures & Communities

- Added: ENGL 12A, ETHN 4, HUMN 12*

Area VII - Lifelong Learning

- Added: CHEM 81*, KINS 49, MATH 83*
- Removed (deactivated): ATHL 31B, ATHL 45B, PHED 14

**New cross-listing or honors version of course previously approved for GE area*

ADOPTED RESOLUTIONS

1.0 ACADEMIC SENATE

1.01 S22 Adopt the Periodic Review Rubric and Report Template of the Academic Senate for California Community Colleges

Whereas, In fall 2021 the Academic Senate for California Community Colleges (ASCCC) adopted the *Periodic Review of the Academic Senate for California Community Colleges*¹ through Resolution [F21 01.01](#) *Adopt the updated Periodic Review of the Academic Senate for California Community Colleges* which required the ASCCC to do the following:

Following the approval of this document through the ASCCC resolution process (for consideration Fall 2021), the ASCCC will form a workgroup to create the Periodic Review Criteria Template and Rubric:

1. A version to be completed by the ASCCC and
2. A version to be completed by the PRC.

The templates and rubrics will be considered through the resolution process by the delegates of the ASCCC at the next Plenary Session (Spring 2022); and

Whereas, The Academic Senate for California Community Colleges Executive Committee formed a work group and created the required documents in the *Periodic Review Rubric and Report Template*² for consideration by the delegates at the spring Plenary Session 2022;

Resolved, That the Academic Senate for California Community Colleges adopt the *Periodic Review Rubric and Report Template*

1.02 S22 Adding Anti-Racism to the Academic Senate for California Community Colleges' Vision Statement

Whereas, The Academic Senate for California Community Colleges (ASCCC) adopted its new Vision statement at its Fall 2020 Plenary Session;

Whereas, Since that time, the ASCCC has focused on the prioritization and inclusion of anti-racism in its DEI efforts through various resolutions and position papers;

Whereas, The ASCCC recognizes that effective progress at anti-racism requires life-long approaches and commitments; and

¹ [Periodic Review Overview](#)

² [Periodic Review Rubric and Report Template](#)

Whereas, The ASCCC Executive Committee, at its March 5, 2022 meeting, voted to adopt “Inclusion, Diversity, Equity, Anti-Racism, and Accessibility (IDEAA)” as its acronym for the work that the ASCCC is doing;

Resolved, That the Academic Senate for California Community Colleges update its vision, mission, and values statements to include anti-racism for consideration by delegates at the Fall 2022 Plenary session.

Contact: ASCCC Executive Committee

MSC

3.0 DIVERSITY AND EQUITY

3.01 S22 Develop and Publish an Inclusion, Diversity, Equity, Anti-Racism, and Accessibility (IDEAA) Liaison Handbook

Whereas, The California Community Colleges system has prioritized inclusion, diversity, equity, anti-racism, and accessibility (IDEAA) work—including through the California Community Colleges Chancellor’s Office (CCCCO) Call to Action, the DEI Task Force Recommendations, and the Vision for Success goals—to eliminate equity gaps and to align with the CCCCCO inclusion of accessibility³;

Whereas, In June of 2020, the president of the Academic Senate for California Community Colleges (ASCCC), in the Call for Action, challenged system faculty to support infusing anti-racism/no hate education in community colleges and “to put these words into practice”;

Whereas, The ASCCC passed [Resolution SP21 3.02 Include Cultural Competence in Faculty Evaluations](#), recommending that local academic senates establish a local inclusion, diversity, equity, and anti-racism (IDEA) liaison because “[i]nformation related to inclusion, diversity, equity, and anti-racism may not always be disseminated to all faculty at local colleges and districts and therefore all faculty would benefit from the creation of a local inclusion, diversity, equity, and anti-racism liaison to act as a conduit between the Academic Senate for Community Colleges and local faculty”; and

Whereas, Currently, information related to inclusion, diversity, equity, anti-racism, and accessibility can be found in various locations on the ASCCC website, creating an unnecessary barrier to needed resources for IDEAA liaisons and other interested faculty;

Resolved, That the Academic Senate for California Community Colleges develop and publish an IDEAA Liaison Handbook by spring 2023.

Contact: [Muhammed Sharif-Idiris](#), Equity and Diversity Action Committee

³ DEIA, the acronym used by the California Community Chancellor’s Office, is *diversity, equity, inclusion, and accessibility*.

MSC

3.02 S22 Adopt the DEI in Curriculum Model Principles and Practices Framework

Whereas, [Resolution F20 3.04](#) *Develop Resources on Effective Practices for Anti-Racist, Equitable, and Inclusive Instructional Strategies*⁴ directed the “Academic Senate for California Community Colleges [to] develop resources identifying effective practices for anti-racist, equitable, and inclusive instructional strategies and present the resources to local academic senates”;

Whereas, Curriculum is one of the areas of academic senate 10+1 academic and professional matters purview per [Title 5 §53200](#), and the ASCCC has committed to supporting inclusion, diversity, equity, anti-racism, and accessibility (IDEAA) work through multiple resolutions, approved papers, its mission statement, and its role in professional learning;

Whereas, The California Community College Curriculum Committee (5C) has produced a resource entitled *DEI in Curriculum Model Principles and Practices* that was developed collaboratively with representatives from the ASCCC, the Student Senate for California Community Colleges (SSCCC), the California Community College Chancellor's Office, and representatives from administrative and classified constituencies; and

Whereas, The SSCCC, in its Anti-Racism Plan of Action⁵, calls for curriculum changes to “Ensure that the community college curriculum is responsive to all cultures in an effort to foster cultural appreciation, awareness, acceptance, and value”;

Resolved, That the Academic Senate for California Community Colleges adopt the *DEI In Curriculum Model Principles and Practices*⁶ and encourage local academic senates to use the model to review their curriculum practices; and

Resolved, That the Academic Senate for California Community Colleges work with system partners to support the implementation of the *DEI in Curriculum Model Principles and Practices* through collaborative professional learning.

MSC

3.03 S22 Oppose Reliance on Textbook Publishers to Achieve Zero Textbook Cost

Whereas, California Education Code §78052 (a) states that “It is the intent of the Legislature that community college districts develop and implement zero-textbook-cost degrees and develop open educational resources for courses to reduce the overall cost of education for students and

⁴ <https://www.asccc.org/resolutions/develop-resources-effective-practices-anti-racist-equitable-and-inclusive-instructional>

⁵ https://ssccc.org/file_download/inline/d0fb70f5-a721-4f61-9815-778806fcd3b6

⁶ [DEI in Curriculum Model Principles and Practices](#)

decrease the time it takes students to complete degree programs,” a goal that can promote student success without impinging on either academic freedom or faculty’s rights to choose appropriate instructional materials;

Whereas, California Education Code §78052 establishes that community college districts that develop and implement zero-textbook-cost degrees shall do the following:

- prioritize the development and implementation of a degree from an existing associate degree for transfer and, to the extent possible, prioritize the adaptation of existing open educational resources through existing open educational resources initiatives, or elsewhere, before creating new content.
- develop degrees with consideration for sustainability after grant funding is exhausted, including how content is updated and presented.
- develop and implement a degree that other community college districts can use or adapt, and post each degree, and the contents of the degree, on the online clearinghouse of information established pursuant to Item 6870-101-0001 of the Budget Act of 2016, or a successor internet website. All open educational resources used as learning materials for a degree developed pursuant to this section shall be added to the California Digital Open Source Library established in Section 66408. Testing and assessment materials posted online pursuant to this paragraph shall be safeguarded to maintain the integrity of those materials. This paragraph shall not be construed to prohibit faculty from providing sample test and assessment materials to students;

Whereas, Higher Education Emergency Relief Funds (HEERF) and similar funding have been used to purchase textbooks for students, an efficient and temporary approach to textbook affordability that does not meet the intent or requirements established in California Education Code §78052; and

Whereas, Governor Gavin Newsom expressed a commitment to lowering costs for students by disrupting the entire system of commercial textbook publishing during his press conference unveiling his 2021 – 2022 budget proposal, saying he was “committed” to addressing the “usurious costs associated with textbooks,”⁷ which emphasizes his interest in seeing the state’s substantial financial commitment to zero-textbook-cost degrees implemented in ways that are consistent with the intent of California Education Code §78052 through long-term, sustainable solutions rather than primarily through short-term solutions such as funding for one-time or temporary purchases from commercial publishers;

Resolved, That the Academic Senate for California Community Colleges support the stated intent of California Education Code §78052, recognizing the importance of eliminating or reducing textbook costs in a sustainable manner while still preserving the faculty’s right and responsibility under academic freedom to select the most appropriate instructional materials, whether digital or in print; and

⁷ Zinshteyn, Mikhail. (2021, January 13). “Newsom calls textbooks ‘racket,’ proposes money to create free ones.” *CalMatters*. <https://calmatters.org/education/2021/01/newsom-fund-free-textbooks/>.

Resolved, That the Academic Senate for California Community Colleges oppose the use of mechanisms to achieve zero-textbook-costs that are not sustainable and are inconsistent with the intent of California Education Code §78052.

Contact: ASCCC Executive Committee

MSC

3.04 S22 Expand Methods of Data Collection and Analysis to Fully Measure the Successes and Challenges of AB705

Whereas, The California Community Colleges Chancellor's Office (CCCCO) required that all California community colleges submit an Equitable Placement Validation Report on their AB 705 implementation strategies for the lowest GPA band of entering students using a template that asked colleges to report enrollments as placements and de-coupled pre-transfer level coursework from college-level courses (with or without a corequisite) so colleges could not separate enrollments from placement, and colleges might have reported intermediate algebra as a college-level course;

Whereas, Most California community colleges' pre-college level mathematics courses are two or more levels below transfer, and the Equitable Placement Validation Report template allowed for a local comparison of throughput rates of pre-transfer level courses and pre-college level courses resulting in an outcome that over 90% of California community colleges were not maximizing throughput;

Whereas, Previous CCCCCO memos related to AB 705 were co-signed by the Academic Senate for California Community Colleges (ASCCC), but the CCCCCO memo ESS 21-300-015 (November 18, 2021) was not co-signed by the ASCCC, and ESS 21-300-015 strongly guides colleges to place students in transfer-level courses based on the outcomes from the Equitable Placement Validation Report, and colleges should ensure that placements are equitable and do not disproportionately impact students regardless of GPA; and

Whereas, The charge of the ASCCC's Data and Research Task Force is "to assist local academic senates in using data effectively to improve teaching and learning," "to establish data-driven processes to evaluate and advance diversity, equity, and inclusion in areas of academic and professional matters," and to include "data examination and exploration to improve educational programs and services to students;"

Resolved, That the Academic Senate for California Community Colleges and the ASCCC Data and Research Task Force work with the California Community Colleges Chancellor's Office to develop more robust and thorough methodologies that provide student-centered guidance to colleges that account for the differences among pre-college level, college level, and transfer level when reporting on AB 705 implementation efforts for disproportionate impacts;

Resolved, That the Academic Senate for California Community Colleges and the ASCCC Data and Research Task Force work with the California Community Colleges Chancellor's Office to examine throughput rates for students who begin one level below transfer and throughput rates for students who begin in transfer level and receive a substandard grade; and

Resolved, That the Academic Senate for California Community Colleges and the ASCCC Data and Research Task Force work with the California Community Colleges Chancellor's Office to reinvestigate the outcomes of the 2021 Equitable Placement Validation Report in light of the clearer definitions of course levels, course enrollment, and course placement and include disaggregated student outcomes for all GPA bands and course-taking patterns.

Contact: [Eric Wada](#), Folsom Lake College, Area A

MSC

3.05 S22 Disaggregate Asian and Pacific Islander Student Data

Whereas, The Asian and Pacific Islander (API) population is more heterogeneous than any other racial group in the US, with more than 48 ethnicities, over 300 spoken languages, various socioeconomic statuses, immigration histories, cultures, and religions, and “Asian American” is a political term originally intended to unite Asian sub-groups in a unified fight for justice and equity, and the California Community Colleges Chancellor's Office (CCCCO) only publicly disaggregates API students into three ethnic groups—Asian, Filipino, and Pacific Islander⁸—and therefore misrepresents the needs of underserved API populations;

Whereas, The Academic Senate for California Community Colleges' (ASCCC) [Inclusivity Statement](#) specifies a “goal of ensuring the equal educational opportunity of all students,” and a “commitment to diversity requires that we strive to eliminate those barriers to equity,” and a lack of access to disaggregated API student data is a barrier to informed, targeted resource allocation and equitable educational opportunities;

Whereas, Only 27% of South East Asian Americans (SEAA) hold a higher-education degree compared to 49% of Asian Americans, and therefore access to higher education disproportionately affects the 910,000 SEAA living in California, including Hmong, Vietnamese, Cambodian, and Laotian communities, when compared to Asian Americans as a whole community⁹; and

Whereas, The CCCCCO's current grouping of API students does not allow for the identification of disproportionately impacted API student groups and therefore places SEAA and other unidentified disproportionately impacted API students at a disadvantage for resource allocation and decision-making purposes relating to initiatives such as AB 705 (Irwin, 2017), student equity, and guided pathways;

⁸ https://datamart.cccco.edu/Students/Education_Status_Summary.aspx

⁹ https://www.searac.org/wp-content/uploads/2020/02/SEARAC_NationalSnapshot_PrinterFriendly.pdf

Resolved, That the Academic Senate for California Community Colleges collaborate with the California Community Colleges Chancellor's Office to refine data disaggregation processes to increase transparency of and access to CCCCO data so colleges can better serve misrepresented student populations such as South East Asian Americans and other unidentified disproportionately impacted Asian and Pacific Islander groups;

Resolved, That the Academic Senate for California Community Colleges urge local academic senates to apply fully disaggregated data to allocate resources relating to equity initiatives and provide guidelines to make equitable decisions relating to students;

Resolved, That the Academic Senate for California Community Colleges work with the California Community Colleges Chancellor's Office to develop guidelines for regularly reviewing and revising data practices to ensure students are correctly represented; and

Resolved, That Academic Senate for California Community Colleges work with local academic senates to implement best practices regarding regularly reviewing data to ensure that disproportionately impacted Asian and Pacific Islander students are identified.

¹⁴ Rostrum article, *Cal Grant Modernization and the True Cost of College*, April 2021

¹⁵ https://leginfo.legislature.ca.gov/faces/billNavClient.xhtml?bill_id=202120220AB2122

¹⁶ https://leginfo.legislature.ca.gov/faces/billNavClient.xhtml?bill_id=202120220AB2122

Resolution 06.02 F20 *Legislative and System Support for Academic Freedom*, which called for the ASCCC “to work with system partners and faculty unions to advocate for inclusion of the definition, rights, and responsibilities of academic freedom into California Education Code, guard against legislative changes that erode educational freedom, and educate all stakeholders on the importance of protecting academic freedom”; and

Whereas, Current polarizing racial, cultural, and political events and increasing efforts to silence opposing viewpoints necessitate public reaffirmation of core principles of academic freedom, including that “academic freedom allows for students to be introduced to a diverse range of ideas that often contrast and even compete with each other within an academic framework and invites them to participate in a rigorous analysis and comparison of these ideas as a means of developing their own interpretations” (Vélez & Curry, *Academic Freedom and Equity, ASCCC Rostrum*, November 2020);

Whereas, While Title 5 §51023 requires governing boards of community college districts to adopt a policy statement on academic freedom, California Education Code does not include specific provisions protecting academic freedom, resulting in a wide variety of academic freedom policies across districts and colleges and a lack of “the uniformity necessary to uphold and ensure the principles of academic freedom across all of California’s community colleges” (SR45, Min as of March 17, 2022); and

Whereas, SR45 (Min, 2021) acknowledges that “Freedom of thought and expression are necessary for every higher education institution “ and “Academic freedom is foundational for the free flow of knowledge, ideas, and governance on college campuses” while also declaring “that academic freedom is an essential requisite for teaching and learning in California Community Colleges,” a position that the ASCCC Executive Committee expressed in its letter of support following action at its February 4-5, 2022 Executive Committee meeting: “[SR 45] is thus both timely and important, and the ASCCC appreciates and endorses its accurate explanation of the significance of and issues surrounding academic freedom as well as its strong statement of support for the concept”;

Resolved, That the Academic Senate for California Community Colleges support SR 45 (Min, as of March 17, 2022); and

Resolved, That the Academic Senate for California Community Colleges advocate for the explicit inclusion of academic freedom in California Education Code.

ACCLAMATION

6.03 S22 Upholding the California Community College Mission – Oppose AB 1705 (Irwin, 2022) as of April 9, 2022 Unless Amended

Whereas, California Education Code 66010.4. (a) (1) defines the primary mission for the California community colleges as to “offer academic and vocational instruction at the lower division level for both younger and older students, including those persons returning to school”;

Whereas, California Education Code 66010.4. (2) requires the California community colleges to offer instruction and courses to achieve all of the following:

(A) The provision of remedial instruction for those in need of it and, in conjunction with the school districts, instruction in English as a second language, adult noncredit instruction, and support services which help students succeed at the postsecondary level are reaffirmed and supported as essential and important functions of the community colleges.

(B) The provision of adult noncredit education curricula in areas defined as being in the state's interest is an essential and important function of the community colleges.

(C) The provision of community services courses and programs is an authorized function of the community colleges so long as their provision is compatible with an institution's ability to meet its obligations in its primary missions;

Whereas, California Education Code 66010.4. (3) expands the primary mission of the California community colleges "to advance California's economic growth and global competitiveness through education, training, and services that contribute to continuous workforce improvement"; and

Whereas, The language of AB 1705 (Irwin, 2022) as of April 9, 2022 defines pre-transfer courses to include "basic skills," "remedial," and "college-level" including noncredit courses, and mandates that most students be placed and enrolled directly in transfer-level written communication and quantitative reasoning courses for programs that require any math or English courses;

Resolved, That the Academic Senate for California Community Colleges oppose AB1705 (Irwin, 2022) as of April 9, 2022 unless the following amendments are enacted to protect the mission and serve the students of the California community colleges:

Placement and enrollment of students in a transfer-level English or mathematics course should not prevent students from enrolling in a pre-transfer level English or mathematics course when a *student determines* a course fulfills their academic needs based on the desire to do any of the following:

1. Complete a certificate or Career Technical Education program.
2. Make up for learning loss from the COVID-19 global pandemic or break in education.
3. Build skills or re-skill.
4. Fulfill a lifelong learning priority in written communication and quantitative reasoning courses.

It is the intent of the legislature to neither prohibit nor deny a student the opportunity to enroll in any pre-transfer level English or mathematics course based on students' rights to determine their educational goals and academic needs.

It is the intent of the legislature neither to create additional English or mathematics requirements in program pathways nor to increase the level of the English or mathematics requirements in program pathways.

It is the intent of the legislature to add support and resources for faculty to implement equitable placement, such as a lower ratio of instructor to students not exceeding 1:10, professional development, embedded faculty tutors in the classrooms, and update the classroom environment to accommodate small groups.

It is the intent of the legislature to exclude noncredit from the definition of pre-transfer in this bill.

7.02 S22 Ensure the Sustainability of the Zero-Textbook-Cost Degree Program

Whereas, California Education Code §78052 requires that districts “Develop degrees with consideration for sustainability after grant funding is exhausted, including how content is updated and presented” and that the California Community Colleges Chancellor’s Office ensure that “a grant does not result in the development or implementation of duplicate degrees for a subject matter to avoid duplication of effort and ensure the development and implementation of the greatest number of degrees for the benefit of the greatest number of students,” a requirement that can only be met for the Zero-Textbook-Cost Degree Program if the implementation of the program is truly statewide and collaborative;

Whereas, The Academic Senate for California Community Colleges (ASCCC) recognizes that open educational resources are “the preferred and most sustainable mechanism for eliminating course costs” (Resolution 03.05 F21);

Whereas, The ASCCC has requested that the California Community Colleges Chancellor’s Office, as part of the Zero-Textbook-Cost Degree Program, explore the provision of centralized accessibility and licensing support to local colleges and districts to facilitate the adaptation and adoption of open educational resources (Resolution 07.01 F21), effectively advocating for a statewide solution to address local zero-textbook-cost implementation challenges; and

Whereas, The ASCCC has established mechanisms for convening discipline faculty for the purposes of making curriculum determinations, including systems for ensuring statewide vetting of developed resources;

Resolved, That the Academic Senate for California Community Colleges work with the California Community Colleges Chancellor’s Office, as part of the Zero-Textbook-Cost Degree Program, to establish the funding and process necessary to ensure that ZTC resources will remain current and relevant beyond the 2027 reporting deadline established in California Education Code §78052.

9.0 CURRICULUM

9.01 S22 Definition and Guidance for Cross-Listing Courses

Whereas, The course outline of record is at the center of local curricular process, its required elements have been outlined in [California Code of Regulations Title 5 § 55002](#), and the application of those requirements is detailed in the [Program and Course Approval Handbook](#); and

Whereas, There is a lack of system guidance on the definition and appropriate practice of cross-listing sufficient to guide colleges on course development and submission;

Resolved, That the Academic Senate for California Community Colleges work with the California Community Colleges Chancellor's Office to revise the *Program and Course Approval Handbook* to include a definition of cross-listing and guidance for its implementation; and

Resolved, That the Academic Senate for California Community Colleges work with the California Community Colleges Chancellor's Office to include in future publications, webinars, and other resources guidance and multiple examples of whether, how, and when to appropriately cross-list courses.

Contact: [Sarah Harris](#), ASCCC Curriculum Committee

MSC

9.02 S22 Co-Requisites and Pre-Requisites of Intermediate Algebra and Articulation and C-ID Alignment

Whereas, [AB 705](#) (Irwin, 2017) was passed in 2017 and discouraged the placement of students into pre-transfer intermediate algebra and encouraged placing students directly into transfer-level math based on multiple measures data;

Whereas, With the implementation of AB 705 (Irwin, 2017), the scheduling of pre-transfer math courses, such as intermediate algebra, has significantly reduced over the past three years, with some colleges completely eliminating offerings in response to a [2022 required plan](#) from the California Community College Chancellor's Office that asks colleges to justify, with data, the scheduling of pre-transfer math courses;

Whereas, California State University and University of California articulation requirements require a prerequisite or corequisite of intermediate algebra skills for the transfer of courses such as biology; and

Whereas, C-ID also recommends prerequisites of intermediate algebra skills for course alignment;

Resolved, That the Academic Senate for California Community Colleges work with the California Community College Chancellor's Office and the academic senates of the California State University and University of California to provide continued guidance for the articulation of courses that require requisites below transfer-level math.

MSC

9.03 S22 Develop Lower Division GE Pathway for CCC Baccalaureate Degree Programs

Whereas, AB 927 (Medina, 2021) expands baccalaureate degree programs in the California Community Colleges;

Whereas, Applicants to California community college baccalaureate degree programs currently must complete the CSU General Education Breadth pattern or Intersegmental General Education Transfer Curriculum, both of which may soon be obsolete given the [AB 928](#) (Berman, 2021) mandate to “establish a singular lower division general education pathway that meets the academic requirements necessary for admission to the California State University and the University of California” for implementation by fall 2025 and that the pathway “be the only lower division general education pathway used to determine eligibility and sufficient academic preparation for transfer into both segments”; and

Whereas, The scope and purpose of baccalaureate degrees differ between the California Community Colleges, the California State University, and the University of California, and specifics for lower division general education preparation differs based on those scopes and purposes;

Resolved, That the Academic Senate for California Community Colleges work with the California Community Colleges Chancellor’s Office to develop a lower division general education pathway specific to California community college baccalaureate degree programs for approval by Spring 2023 and system-wide implementation by fall 2024.

MSC

9.04 S22 Creation of a Separate Transfer Model Curriculum for Women and Gender Studies

Whereas, C-ID constructed a template in “Social Justice Studies” as a general “Area of Emphasis” for students wishing to transfer into Ethnic Studies programs or Women and Gender Studies programs;

Whereas, The fields of Ethnic Studies and Women and Gender Studies have long been recognized in higher education as distinct and legitimate disciplines and exist as separate programs and degrees at transfer institutions including California State University and University of California;

Whereas, Assembling a transfer pattern for students wishing to pursue degrees in Ethnic Studies or Women and Gender Studies under the designator, “Social Justice Studies,” does not align with California State University and University of California disciplinary majors and denies students a disciplinary identity and home at the community college level and a clear transfer pathway; and

Whereas, The forthcoming departure of Ethnic Studies from the Social Justice Studies designator offers an opportunity to create a new transfer model curriculum (TMC) for Women and Gender Studies and reassess the effectiveness of the Social Justice Studies TMC;

Resolved, That the Academic Senate for California Community Colleges works with the Intersegmental Curriculum Workgroup, C-ID Advisory Committee, and the California State University Chancellor's Office to consider creating a transfer model curriculum for Women and Gender Studies by December 2022.

MSC

9.06 S22 Professional Learning Support for Increased Faculty Understanding and Further Discussion on the Impact of AB928 (Berman, 2021) Student Transfer Achievement Reform Act of 2021 on Local Colleges

Whereas, [AB928](#) (Berman, 2021) presents unintended consequences for students in many disciplines, including kinesiology, within the California Community Colleges system;

Whereas, The mental and physical well-being of all California community college and university students continues to be of serious concern, with [Area E](#)²⁷ of the CSU transfer curriculum designed “to equip learners for lifelong understanding and development of themselves as integrated physiological, social, and psychological beings,” and therefore the retention of Area E is vital to any unified transfer curriculum;

Whereas, The California Master Plan for Higher Education (CMPHE) differentiates the distinct roles and respective missions of California’s three tier higher educational systems – California Community Colleges, California State University, and University of California – and a single transfer curriculum should recognize these system differences without ignoring the physical and mental health needs of all students served by the CMPHE; and

Whereas, The possible exclusion of lifelong learning and self-development courses due to streamlining the general education pattern will impact various disciplines, such as, kinesiology, social sciences, humanities, communications, nutrition, counseling, and health education and

²⁷ “Area E requirement is designed to equip learners for lifelong understanding and development of themselves as integrated physiological, social, and psychological beings. Physical activity may be included, if it is an integral part of the study elements described herein and other content such as student success strategies, human behavior, sexuality, nutrition, physical and mental health, stress management, information literacy, social relationships and relationships with the environment, as well as implications of death and dying or avenues for lifelong learning.”

through the potential elimination of Area E could further perpetuate existing health disparities and may contribute to the success gaps in disproportionately impacted students;

Resolved, That the Academic Senate for California Community Colleges work with the Associate Degree for Transfer Intersegmental Implementation Committee to communicate the importance of critical holistic needs of students in order to retain the lifelong learning category in the general education transfer curriculum;

Resolved, The Academic Senate for California Community Colleges urge local academic senates to engage their faculty in a discussion on the impact of AB928 on their students' holistic collegial experience; and

Resolved, That the Academic Senate for California Community Colleges provide professional learning opportunities for faculty in order to increase dialog and understanding about both the impact of AB928 on local colleges and recommendations made by the subcommittee on AB928 to the Intersegmental Committee of Academic Senates.

MSC

13.0 GENERAL CONCERNS

13.01 S22 Ensure the Transparency of Resources Used to Establish Zero-Textbook-Cost (ZTC) Certificates and Degrees

Whereas, The California Community Colleges Chancellor's Office, in its 2020 Zero-Textbook-Cost Degree Grant Program Legislative Report, has recommended that future zero-textbook-cost (ZTC) funding should focus on investment priorities, including efforts to do the following:

- Evaluate existing ZTC programs and courses and incorporate culturally relevant content to contribute to advancing equity in teaching and learning;
- Share and adopt existing quality ZTC program and course materials, especially within the same community college district;
- Develop and curate quality ZTC materials for courses that satisfy general education requirements; and
- Post ZTC program courses on the California Virtual Campus Course Exchange and quickly make ZTC programs and courses available to all California community college students;

Whereas, The Academic Senate for California Community Colleges (ASCCC) “recognize[s] open educational resources as the preferred and most sustainable mechanism for eliminating course costs” ([Resolution 3.05 F21](#));

Whereas, Resources may only be modified, developed, curated, and freely shared when those resources are openly licensed, and the ASCCC “encourage[s] the establishment of support structures for OER development that require developed resources to be openly licensed and made available to expand the diversity of OER resources” ([Resolution 9.05 S19](#)); and

Whereas, [California Education Code §78052](#) requires that “All open educational resources used as learning materials for a degree developed pursuant to this section shall be added to the California Digital Open Source Library established in Section 66408,” yet no public-facing information is available that delineates how colleges that established ZTC certificates and degrees did so, and the list of ZTC degrees developed reveals duplication of resources and degree pathways ([Zero-Textbook-Cost Degree Grant Program Legislative Report, CCCCCO 2020](#));

Resolved, That the Academic Senate for California Community Colleges urge the California Community Colleges Chancellor's Office to require that all recipient colleges and districts of zero-textbook-cost (ZTC) funds delineate how ZTC status was achieved for all courses in a given pathway in a designated public-facing location and ensure that openly-licensed resources are shared as required by law; and

Resolved, That the Academic Senate for California Community Colleges encourage the California Community Colleges Chancellor's Office to support the development of a repository for the sharing of open educational resources used to establish zero-textbook-cost certificates and

degrees that can be searched by specific course parameters as defined by faculty.

13.02 S22 Faculty Responsibility for Equitable, Accessible Learning Environments

Whereas, Accessibility in the digital learning environment is an essential part of an equitable learning environment, and students deserve to have access to digital learning materials and environments without revealing their disability status as provisioned by [Section 508 of the Rehabilitation Act](#);

Whereas, Accessibility in the digital learning environment—or compliance with Section 508 of the Rehabilitation Act—is required for all government-funded institutions, including the California Community Colleges, and the California Community Colleges’ Chancellor’s Office Information and Communication Technology and Instructional Material Accessibility Standard ²⁸(2020) says that “ensuring equal access to equally effective instructional materials and ICT [information communication technology] is the responsibility of all California Community College administrators, faculty, and staff”; and

Whereas, Accessibility is an academic and professional matter per [Title 5 §53200](#), and faculty should have and maintain full freedom of and purview over their instructional materials and digital learning environments while fulfilling their obligation as educators to provide accessible learning environments as required legally and as a tool for closing equity gaps;

Resolved, That the Academic Senate for California Community Colleges urge local academic senates to advocate for making accessibility a campus-wide priority because it relates to faculty agency over equitable student access in all teaching and learning environments;

Resolved, That the Academic Senate for California Community Colleges update its paper [Ensuring Effective Online Programs: A Faculty Perspective](#) by Fall 2023 to include clarification of the differences between accommodations (as referenced in [Section 504 of the Rehabilitation Act](#)) and accessibility (as referenced in Section 508 of the Rehabilitation Act), as these definitions relate to faculty fulfilling their responsibility as educators in all modalities, and also develop other resources as appropriate; and

Resolved, That the Academic Senate for California Community Colleges work with the California Community Colleges Chancellor’s Office and other stakeholders to guide the development of the local infrastructure necessary to support faculty with professional learning, tools, and expert support in the creation of fully accessible learning environments.

ACCLAMATION

13.03 S22 Establish ASCCC Rising Scholars Faculty Advisory Committee

Whereas, At this time, California community colleges serve over 15,000 incarcerated students at 35 California Department of Corrections and Rehabilitation (CDCR) site locations, in addition to numerous unique county regions, and expect that number to reach over 20,000 students and 1,000 FTE within 3 years;

Whereas, CDCR, county justice centers, and California community colleges are bound by complicated constraints, including laws, contractual agreements, policies, and funding formulas, and policies, procedures, and processes that meet the needs of incarcerated students, faculty, and collegiate support staff serving the incarcerated students and support the needs of the corrections staff under the memorandum of understanding between the California Community Colleges Chancellor's Office (CCCCO) and CDCR need to be established to preserve the best interest of both systems while meeting the goals of educating incarcerated students; and

Whereas, All parties, including but not limited to the CCCCCO, local colleges, the Academic Senate for California Community Colleges (ASCCC), the Student Senate for California Community Colleges, and the CDCR, must work together to ensure that those working within the colleges and those working within the various facilities, representing the various government (federal, state, and local) agencies and unions, are appropriately relied upon to address incarcerated student needs, curricular and support services, curriculum and program development, transitional (incarcerated to paroled or released) support services, and community college to state university transfer needs, but current faculty representation in academic and professional matters is minimal at best as the ASCCC only has two representative seats on the Chancellor's Office Rising Scholars Advisory Committee, and there is no current mechanism for ASCCC to collaborate with, regularly solicit input from, or prepare and provide professional learning for faculty teaching in incarcerated environments;

Resolved, That the Academic Senate for California Community Colleges establish a Rising Scholars Faculty Advisory Committee to include faculty teaching in incarcerated education and at least one formerly incarcerated student;

Resolved, That the Academic Senate for California Community Colleges charge the Rising Scholars Faculty Advisory Committee with developing and sustaining a regional professional learning network in the area of prison education utilizing local senate structures, dedicated to the ASCCC's 10+1 academic and professional matters purview per [Title 5 §53200](#), with furthering the advancement of local programs and local professional learning in the areas of equity, pedagogy, and community building among prison education practitioners, and with advancing the faculty voice in spaces where incarcerated education is discussed and policies or agreements are made, including with the California Community College Chancellor's Office, the CCCCCO's Rising Scholars Advisory Committee, and the CDCR, so that faculty primacy in academic and professional matters is honored and the education provided to incarcerated students by California community colleges is a model for educating incarcerated students;

Resolved, That the Academic Senate for California Community Colleges expects the ASCCC Rising Scholars Faculty Advisory Committee to disseminate policies, procedures, and memorandums of understanding produced by the ASCCC, the Rising Scholars Network, the California Community Colleges Chancellor's Office, and the California Department of Corrections and Rehabilitation to their local networks of faculty teaching in incarcerated environments and share faculty-related concerns, problems, and barriers experienced at the local level to the ASCCC Rising Scholars Faculty Advisory Committee for communication with the Rising Scholars Network, the CCCCCO, and the CDCR; and

Resolved, That the Academic Senate for California Community Colleges requests of the California Community Colleges Chancellor's Office (CCCCO) and the California Department of Corrections and Rehabilitation (CDCR) that the ASCCC and the ASCCC Rising Scholars Faculty Advisory Committee be consulted for Memorandums of Understanding (MOUs) concerning prison education, particularly the ASCCC's 10+1 academic and professional matters purview per [Title 5 §53200](#) between the CDCR and the CCCCCO and, for local MOUs between the CDCR and local colleges, with local academic senates.

Contact: [Alec Griffin](#), ASCCC Rising Scholars Mellon Grant Team

ACCLAMATION

13.04 S22 Establish Rising Scholars Faculty Liaisons

Whereas, Facilitation of teaching and learning in incarcerated environments is a coordinated effort of many entities, including the California Department of Corrections and Rehabilitation (CDCR), the California Community Colleges Chancellor's Office, the Chancellor's Office Rising Scholars Advisory Committee, and local jails, and faculty are often excluded from system-level communications specific to Rising Scholars programs;

Whereas, Direct communication to faculty as a critical constituency in incarcerated education is currently missing, and system-level memorandums of understanding, standard procedure, and best practices have been imposed on California community college faculty without knowledge of or participation in those processes, and, when top-down policies, procedures, and practices affect the work of faculty working inside of the prisons, the Academic Senate for California Community Colleges' (ASCCC) 10+1 academic and professional matters purview per [Title 5 §53200](#) has been ignored; and

Whereas, The ASCCC and faculty engaged in incarcerated education, whether through face-to-face college, correspondence, or other distance education college instruction, could benefit from having a mechanism for direct sharing of information with and for solicitation of input from faculty teaching in incarcerated environments;

Resolved, That the Academic Senate for California Community Colleges urge local academic senates to identify a faculty member teaching or engaged in incarcerated instruction inside of prisons, jails, or other local carceral facilities, or who has been formerly incarcerated, to act as a

local Rising Scholars liaison to facilitate communication among Rising Scholars faculty, the local senate, and the ASCCC;

Resolved, That the Academic Senate for California Community Colleges work collaboratively with these liaisons to ensure communication and opportunities for input on the ASCCC's 10+1 academic and professional matters purview per [Title 5 §53200](#) are provided by the California Department of Corrections and Rehabilitation, the California Community Colleges Chancellor's Office, the CCCCCO's Rising Scholars Advisory Committee, and the ASCCC before implementation of those policies, procedures, and practices; and

Resolved, That the Academic Senate for California Community Colleges urge local academic senates to request utilization of local Rising Scholars funds to compensate their designated Rising Scholars liaisons.

Contact: [Alec Griffin](#), ASCCC Rising Scholars Mellon Grant Team

MSC

13.07 S22 Advocate for the Protection of Online Learning Integrity

Whereas, During the last decade, there has been significant support from the California Legislature for online and distance education to improve access to California community colleges, and during the COVID-19 pandemic online course offerings at California community colleges have increased dramatically, and enrollment trends indicate a continued increased interest in online learning;

Whereas, Faculty have engaged in professional learning including strategies, pedagogies, and course design for online learning, all while meeting federal and state regulations to provide sustainable and flexible access to college in order to meet the increasing demand for high quality remote learning;

Whereas, The sharp increase in online learning has also created an economic market for educational fraud where companies sell their services to take courses on behalf of students for a fee or companies masquerade as study sites but in practice are fraud libraries providing paying users answers to assignments or access to essays for sale as documented in reporting from *The Los Angeles Times*³⁰, *The Atlantic*³¹, and *The Hechinger Report*³² and thus violate the integrity of degrees and security of college enterprise systems; and

Whereas, It is evident that online education is here to stay and the solution to the nefarious mischiefs caused by this growing cottage industry of fraud is to innovate and protect the integrity of online courses and enterprise systems, not to backtrack from this inclusive learning modality;

Resolved, That the Academic Senate for California Community Colleges advocate with the California Community Colleges Chancellor's Office for vital resources to support local IT departments in the implementation of additional online learning protections such as multifactor authentication or IP address monitoring to help protect against educational fraud; and

Resolved, That the Academic Senate for California Community Colleges advocate with the California Community Colleges Chancellor's Office for continued and expanded support of professional learning to gain additional pedagogical skills to help prevent and identify educational fraud of this nature.

MSC

13.08 S22 The Open Educational Resources Initiative and Technical Assistance for the Zero-Textbook-Cost Degree Program

Whereas, The Academic Senate for California Community Colleges Open Educational Resources Initiative (OERI) was formally launched in early 2019 with funds allocated to the Academic Senate for California Community Colleges (ASCCC) in Assembly Bill 1809 (Higher Education Trailer Bill, 2017-2018) "to support the development of, and the expansion of the use of, open educational resources for the California Community Colleges" and has established a faculty-led infrastructure to support local open educational resources (OER) implementation efforts, but the funding for the OERI was scheduled to end in 2023, thereby dramatically curtailing or ending the statewide development, curation, and implementation efforts as well as coordinated maintenance and updating of resources developed under the OERI;

Whereas, The OERI, in helping to unlock the potential of faculty to create innovative learning experiences for students through the development of new content, has a proven track record of meeting the OER needs of faculty and students across the state, and, as reported in the ASCCC

³⁰ <https://www.latimes.com/opinion/story/2021-10-24/online-cheating-apps-remote-learning>

³¹ <https://www.theatlantic.com/education/archive/2015/11/cheating-through-online-courses/413770/>

³² <https://hechingerreport.org/another-problem-with-shifting-education-online-cheating/>

OERI Department of Finance Progress Report in February, 2022, accomplishments of the OERI since its inception include the following:

- Facilitated the awareness, adoption, and adaptation of OER through the hosting of over 135 general, discipline-specific, and tool-specific webinars that have been attended by over 2100 faculty. In addition, 56 webinars were hosted for local OER advocates or OER liaisons,
- Identified—and supported—OER liaisons at each of the colleges to ensure ongoing communication between the OERI and local faculty and college colleagues,
- Created a website—asccc-oeni.org—to promote OER and simplify the identification of available OER by providing easy access to OER resources organized by 27 comprehensive discipline collections, general education area, and 25 transfer model curricula,
- Established a team of over 30 discipline leads to curate existing OER and facilitate OER awareness and adoption,
- Initiated the formation of discipline-specific communities of practice to support faculty OER efforts,
- Developed a wide array of resources to support OER-related work, including two self-paced courses (OER Basics and Accessibility Basics), a series of OER “Quick Guides” on OER-related topics that can be accessed online or printed for local use, a variety of resources for OER developers, and an ever-expanding collection of resources to support local OER advocacy,
- Supported the creation of 63 new OER over three competitive funding cycles, with an emphasis on collaboration, meeting state-wide needs, and sustainability,
- Developed the ASCCC OERI IDEA Framework for reviewing and revising OER and other course resources to ensure that they are inclusive, diverse, equitable, and antiracist, which will be integrated into future OERI supported projects and used to review and modify existing resources, and
- Collaborated with representatives from the California State University and the University of California to host Cal OER, a free OER conference intended to highlight the state’s OER/ZTC work and attended by over 400 faculty;

Whereas, In the 2021-2022 Budget Act, the California Legislature and Governor Gavin Newsom designated \$115 million for investment in the expansion of zero-textbook-cost (ZTC) degrees and open educational resources at the state’s community colleges, and in Resolution 3.05 F21, “the Academic Senate for California Community Colleges recognized open educational resources as the preferred and most sustainable mechanism for eliminating course costs unless where instances will arise in which eliminating costs is not possible”; and

Whereas, Education Code §78052 states “that community college districts develop and implement zero-textbook-cost degrees and develop open educational resources for courses to reduce the overall cost of education for students and decrease the time it takes students to complete degree programs” and “to the extent possible, prioritize the adaptation of existing open educational resources through existing open educational resources initiatives, or elsewhere, before creating new content,” indicating the legislative intent of the use of OER in ZTC degrees and the need for collaboration with established initiatives such as OERI;

Resolved, That the Academic Senate for California Community Colleges advocate to the California Community Colleges Chancellor’s Office and system partners for allocating a portion of the \$115 million for ZTC degrees in the 2021-2022 Budget Act to fund the work of the OERI to reduce duplication and guarantee usability in OER development and implementation as well as ensure a statewide approach and promote sustainability in ZTC degrees.

MSC

13.09 S22 Understanding the Impact of Non-Academic Entities on HyFlex Instruction and Preserving the Local Collegial Consultation Process in Determining Local Course Modalities Offerings³³

Whereas, The COVID-19 pandemic has increased the desire for greater distance education course offerings using online and hybrid modalities of instruction, including the “HyFlex” modality that attempts to create a classroom environment that includes fully online and traditional face-to-face options for students within the same section;

Whereas, Universal access to education cannot be addressed by technology alone but requires the commitment of pedagogical adaptation, human facilitation of access, changes to the built environment, and affordability;

Whereas, Numerous concerns over the impact of HyFlex modalities in the classroom have been expressed by faculty and students, including concerns over accessibility, quality of education, surveillance, confidentiality, workload, academic freedom, and student rights; and

Whereas, Concerns have also been expressed by faculty that the technical requirements of HyFlex modalities may encourage the participation of for-profit companies and other non-academic entities whose primary purposes are not student-focused and who may negatively impact the learning environment;

³³ Note: The Resolutions Committee has made edits to this resolution, in consultation with the contact, to increase clarity and to include supporting Title 5 language without changing the original intent.

Resolved, That the Academic Senate for California Community College conduct expedited research in order to determine the role and prevalence of for-profit technology companies and other non-academic entities in HyFlex course offerings in California’s community colleges and the impact of HyFlex technology on instruction and student learning and present their findings no later than the spring of 2023; and

Resolved, That the Academic Senate for California Community Colleges reaffirm that the processes and approval of distance education courses as an academic and professional matter requiring separate approval, per [Title 5 §55206](#), and any local decisions regarding adding additional distance education modalities must include collegial consultation between the college administration and the local academic senate and curriculum committee.

ACCLAMATION

13.10 S22 Student-Facing Zero-Textbook-Cost Information

Whereas, The California Community Colleges Chancellor’s Office, in its 2020 Zero-Textbook-Cost Degree Grant Program Legislative Report ([Zero-Textbook-Cost Degree Grant Program Legislative Report, CCCCCO 2020](#)), has recommended that future zero-textbook-cost (ZTC) funding should focus on investment priorities, including efforts to share and adopt existing quality ZTC programs and course materials, and [California Education Code §78052](#) requires that “All open educational resources used as learning materials for a degree developed pursuant to this section shall be added to the California Digital Open Source Library established in Section 66408,” yet no public-facing information is available that delineates how colleges established ZTC certificates and degrees;

Whereas, In October 2021, the ASCCC Open Educational Resources Initiative completed an [analysis of public-facing ZTC degree information](#) provided by California community colleges and found no information regarding when ZTC sections would be offered, minimal information regarding the ZTC courses that were available and would meet specific general education requirements, and no information regarding how ZTC status was achieved for specific courses;

Whereas, The Academic Senate for California Community Colleges passed Resolution 20.02 in fall 2020, encouraging local academic senates to “advocate for the implementation of a process for consistent, clear, and transparent messaging to students prior to registration regarding all material and supply costs in appropriate locations including the schedule of classes and the bookstore” and providing this same clear messaging and information regarding the planned availability of ZTC sections that would enable students to plan to truly complete a ZTC degree; and

Whereas, Clear messaging for planning purposes is an integral part of guided pathways implementation to better serve students, and integrating information regarding ZTC sections would further advance the equity and achievement goals of the California Community Colleges by clearly mapping ZTC degree pathways.

Resolved, That the Academic Senate for California Community Colleges urge the California Community Colleges Chancellor's Office to require all colleges and districts that receive zero-textbook-cost (ZTC) funds to provide public-facing information and student messaging that delineates the planned scheduling of ZTC sections; and

Resolved, That the Academic Senate for California Community Colleges advocate for the California Community Colleges Chancellor's Office to require that all colleges and districts receiving zero-textbook-cost (ZTC) funds delineate in a designated public-facing location how ZTC status was achieved for all courses in a given pathway, demonstrate that sufficient ZTC sections are available to enable student completion of ZTC degree pathway, and ensure that openly-licensed resources are shared as required by law.

17.0 LOCAL SENATES

17.01 S22 Ensuring Adequate Online Education Support for California Community College Faculty and Students

Whereas, The COVID-19 pandemic forced a quick pivot, within weeks after California Governor Newsom's March 19, 2020 [Stay At Home Order](#), of most of California's community colleges' course offerings from in-person to online teaching and learning;

Whereas, Most of this online teaching and learning necessitated faculty and students quickly learning how to use and navigate learning management systems (LMS) and other online educational tools and services for course delivery and engagement;

Whereas, The California Community Colleges Chancellor's Office responded by November 2, 2020³⁴ to the sudden systemwide shift to online teaching and learning by providing all California community colleges with funding support until June 30, 2021 for an array of online learning tools including Canvas LMS, Canvas Studio, Pisces Online Tutoring Platform, Zoom, Labster virtual science lab platform, and NetTutor online tutoring service as well as special pricing for California community colleges to access or purchase SmarterServices online readiness assessment, Urkund and Turnitin online plagiarism and student integrity services, Proctorio online proctoring service, Pronto online student engagement service, Esri geographic information system, Grackledocs accessibility for Google G-Suite, Adobe digital and electronic signature platform, TimelyMD Telehealth services, OptimumHQ contact tracing software, Cranium Café online student services platform, and Uber Eats food aid distribution platform; and

Whereas, The impact of this sudden and dramatic increase of online learning tools on local college campuses, even beyond the California Community Colleges Chancellor's Office June 30,

³⁴ <https://www.cccco.edu/-/media/CCCCO-Website/Files/DII/nov022020-ongoing-digital-resources-support-memo-dii-v2.pdf?la=en&hash=E284243BE2321D09DC590BF69D1C85BC47EC003A>

2021 funding support deadline, has created a very high demand for local campus online education support services and staff to assist faculty, staff, students, and administrators in the adoption, setup, and use, including the troubleshooting, of these online tools;

Resolved, That the Academic Senate for California Community Colleges survey local academic senates about online education tools used at their campuses, online education support their campuses provide, and whether there is equitable access to and use of online education support across all faculty and student groups;

Resolved, That the Academic Senate for California Community Colleges urge all local colleges and districts to work collaboratively with their local academic senates and online education support areas to identify and mitigate equity gaps regarding online education support access and delivery to faculty and students and ensure that online education support areas receive adequate support from their local colleges in order to provide services needed by students and faculty; and

Resolved, That the Academic Senate for California Community Colleges encourage local academic senates to formally acknowledge their appreciation for their online education and course design support professionals for all the ways in which they have supported faculty and students, especially during the COVID-19 pandemic and the unprecedented demand that it created for online education support services.

MSC

17.02 S22 Increase Part-Time Faculty Representation and Communication through Local Part-Time Faculty Liaisons

Whereas, Part-time faculty comprise the majority of the faculty on every community college campus³⁵ and are vital to the success and retention of students throughout the California Community Colleges system, and the representation of part-time faculty is crucial for the Academic Senate for California Community Colleges (ASCCC) and California Community College Chancellor's Office to fulfill their respective missions;

Whereas, Although the ASCCC continues to encourage local academic senates to include part-time faculty participation in governance, professional learning, committee service, and other leadership opportunities in response to Resolutions [F20 1.02](#) and [S21 19.01](#), and yet support for the participation of part-time faculty still varies widely and is generally insufficient;

³⁵ AB 1269, as amended, Cristina Garcia. Community colleges: part-time faculty. AB-1269 Community colleges: part-time faculty. This bill would instead require the California Community Colleges Chancellor's Office to conduct a comprehensive study of part-time faculty as specified, to be completed by July 1, 2023. [Section 1, paragraph C](#): Part-time faculty comprise approximately 70 percent (2022) of the faculty at the California Community Colleges and teach approximately 50 percent of the classes.

Whereas, The ASCCC appoints part-time faculty to numerous initiatives, workgroups, committees, and task forces to ensure their voices are represented, but it is often difficult to retain part-time faculty involvement throughout the academic year; and

Whereas, Information pertinent to teaching and learning that impacts the roles and responsibilities of part-time faculty may not always be disseminated to all local colleges and districts;

Resolved, That the Academic Senate for California Community Colleges encourage local academic senates to identify a part-time faculty member to act as a part-time faculty liaison to serve as a conduit and increase communication among part-time faculty, the local academic senate, and the Academic Senate for California Community Colleges; and

Resolved, That the Academic Senate for California Community Colleges encourage local academic senates to work with their respective collective bargaining units to advocate for compensation for their part-time faculty liaisons, especially in districts and colleges where college service is not part of the job duties for part-time faculty.

Contact: ASCCC Part-Time Faculty Committee

MSC

17.03 S22 Faculty Participation in the Creation of Course Enrollment Maximums for Community College Departments and Courses

Whereas, Previous Academic Senate for California Community Colleges presentations have recognized that course enrollment maximums are maximum student enrollment limits specified for each course, and course enrollment maximum determinations have sometimes been made inconsistently on the basis of classroom size and other arbitrary factors;

Whereas, Even though California community colleges are functioning under a new funding formula that also binds student attainment to funding, most colleges still rely too heavily on an enrollment strategy that chases full-time equivalent students by foregrounding perceived notions of efficiency and productivity;

Whereas, Pedagogical practices that foreground inclusion, diversity, equity, antiracism, and accessibility (IDEAA) thrive in an environment that humanizes the student/teacher relationship and allows the space for the building of trust, community, and unity, conditions that require both time and space to achieve and are antithetical to the “full classrooms” strategy of enrollment; and

Whereas, Faculty members who practice IDEAA pedagogies work hard to cultivate relationships of trust and learning with their students and community and should be able to have a hand in deciding what constitutes a full class for the sake of true learning and educational connection;

Resolved, That the Academic Senate for California Community Colleges encourage local academic senates to engage in collaboration with their bargaining agents to determine

appropriate course enrollment maximums in consideration of pedagogical, health, and safety factors, including but not limited to the methods of instruction, course modality, objectives and outcomes of the course, and the assessment methods as established on the course outline of record and in alignment with inclusion, diversity, equity, anti-racism, and accessibility values; and

Resolved, That the Academic Senate for California Community Colleges update the 2012 paper³⁶ *Setting Course Enrollment Maximums: Process, Roles, and Principles* with guidelines to assist faculty in the determination of course enrollment maximums based on promising practices and culturally responsive pedagogy, teaching, and learning that are framed by IDEAA principles, academic freedom, and the exigencies occasioned by the COVID-19 pandemic and bring the revised paper for approval at the Fall 2023 Plenary Session.

17.04 SP22 Ongoing Support for Academic Senate for California Community Colleges Liaisons to Local Colleges

Whereas, The Academic Senate for California Community Colleges (ASCCC) has established the creation of formal liaison positions, including [Resolution 03.02 SP21 Inclusion Diversity Equity and Anti-racism Liaison](#), [Resolution 17.02 FA18 Open Educational Resources Liaison](#), [Resolution 17.02 SP15 CTE Liaison](#), [Resolution 17.03 SP15 Legislative Liaison](#), and [Resolution 17.05 SP15 Noncredit Liaison](#), and continues to consider other relevant liaisons to local academic senates;

Whereas, Through previous *Rostrum* articles and resolutions, the ASCCC recognizes that local academic senates play a crucial role in informing faculty and advancing initiatives that ultimately support student success; and

Whereas, The ASCCC liaison positions have corresponding position duties and expectations;

Resolved, That the Academic Senate for California Community Colleges strongly advocate for local academic senates to identify faculty for each of the ASCCC liaison positions;

Resolved, That the Academic Senate for California Community Colleges develop guidelines for local academic senates on effective practices for incorporation of liaison positions; and

Resolved, That the Academic Senate for California Community Colleges develop and implement an annual orientation training for all liaison positions.

19.0 PROFESSIONAL STANDARDS

19.01 S22 Cultural Humility Driving Inclusion, Diversity, Equity, Anti-Racism, and Accessibility (IDEAA) Work

Whereas, [Resolution 3.01 SP14 *Infusing Cultural Competence*](#) directed “the Academic Senate for California Community Colleges [to] engage in cultural competency and equity training at its annual Executive Committee orientation, and use the information from that training to develop its cultural competency plan as a model for local senates”;

Whereas, Resolution 3.01 SP14 *Infusing Cultural Competence* directed “the Academic Senate for California Community Colleges [to] report its cultural competency plan to the body by Spring 2015 and include in that plan a component that will encourage greater diversity in local senates”;

Whereas, Cultural competence, as an epistemological and ontological concept, reifies approaches that fail to recognize that the only constant of culture is that it is constantly changing, which, in turn, demands that one’s understanding and appreciation of culture must constantly evolve and progress; and

Whereas, Cultural humility, as an epistemological and ontological concept, offers approaches that align with inclusion, diversity, equity, anti-racism, and accessibility work that the Academic Senate for California Community Colleges has been engaged in;

Resolved, That the Academic Senate for California Community Colleges recognize that cultural humility, as an epistemological and ontological concept, shall inform the professional training at its annual Executive Committee orientation; and

Resolved, That the Academic Senate for California Community Colleges make available the Cultural Humility Tool³⁷ and respective resources as a model for local academic senates to develop their own cultural humility action plan that will guide and enhance the inclusion, diversity, equity, anti-racism, and accessibility efforts engaged in by local academic senates and the ASCCC.

MSC

REFERRED RESOLUTIONS

9.05 S22 Defining Competencies for Associate Degree Requirements

³⁷ [Cultural Humility Tool](#)

Whereas, California Code of Regulations Title 5 §55063 establishes requirements for students to earn an associate degree, including demonstrated competence in reading, written expression, and mathematics;

Whereas, Current regulations define the standards to meet these requirements by associating those requirements with specific courses or disciplines and outlining methods for establishing equivalencies to courses in those specific disciplines rather than defining reading, written expression, and mathematics competency statements; and

Whereas, The discipline-specific language in the regulation stifles colleges from allowing courses from a variety of disciplines to meet the requirements and severely impedes students from taking courses more relevant to their academic program and career goals that would also meet reading, written expression, and mathematics competency statements;

Resolved, That the Academic Senate for California Community Colleges work with the California Community College Curriculum Committee and the California Community Colleges Chancellor’s Office to revise the requirements in section Title 5 §55063 to include competency statements for reading, written expression, and mathematics rather than associating student demonstration of competence with any specific courses or disciplines.

RE: (revised) Policy Change: International Baccalaureate (IB), College-Level Examinations Placement (CLEP) Examinations, and Advanced Placement (AP) Examination Chart Updates

This revised memorandum contains the following corrections:

- Appendix C: CLEP Examination Passing Scores Chart – Introductory Business Law passing score corrected to state 50
- Appendix D: AP Examination Passing Scores Chart – Music corrected to state Music Theory

This memorandum is to provide guidance regarding title 5, §55052.5 regulations that went into effect May 1, 2021 pertaining to IB and CLEP examinations. Title 5, §55052.5 requires the Chancellor of the California Community Colleges, in collaboration with the Academic Senate of California Community Colleges, to develop and require each community college district to implement a uniform policy regarding IB and CLEP credit.

In accordance with the regulation, the policy stipulates that any student who passes an International Baccalaureate Organization IB examination and/or a CLEP examination with a minimum passing score in the subject matter (see Appendices B & C), is awarded general education area credit. Where no general education area credit matches are available, the college may award elective credit. Each community college shall also note on the student's academic record that the credit was earned through an IB and/or CLEP examination.

The text for title 5, §55052.5 is attached as a reference (Appendix A). Also included for reference is an updated Advanced Placement (AP) Examination chart (see Appendix D), which also requires a uniform policy per title 5, §55052.

If you have any questions regarding this guidance, please contact Dean Raul Arambula (rarambula@CCCCO.edu) and Specialist Bob Quinn (bquinn@CCCCO.edu).

Policy Change: International Baccalaureate and College-Level Examinations Placement Examinations
March 21, 2022

Dolores Davison, ASCCC President
CCCCO Staff

Appendices:

- Appendix A: Title 5, §55052.5
- Appendix B: IB Examination Passing Scores Chart
- Appendix C: CLEP Examination Passing Scores Chart
- Appendix D: AP Examination Passing Scores Chart

Appendix A: Title 5, Section 55052.5

§ 55052.5. International Baccalaureate and College Level Examination Program Examinations.

The Chancellor, in collaboration with the Academic Senate for the California Community Colleges, shall develop policy guidelines on the minimum passing scores for the International Baccalaureate and/or College Level Examination Program examinations. The policy guidelines shall be distributed to community college districts on an annual basis.

The governing board of a community college district shall adopt policies to grant credit for satisfactory completion of International Baccalaureate and/or College Level Examination Program examinations typically recognized by colleges and universities as measuring competencies comparable to those achieved in baccalaureate level courses or general education areas.

The faculty in the appropriate discipline must approve International Baccalaureate and/or College Level Examination Program examination scores deemed to constitute satisfactory performance for direct course credit and/or general education area credit. Credit may be awarded for the California Intersegmental General Education Transfer Curriculum, California State University General Education Breadth, or local community college general education requirements, as most appropriate. Where no direct course or general education area matches an International Baccalaureate or College Level Examination Program exam, the college may award elective credit. Requirements may be met by such examinations in accordance with policies and procedures approved by the curriculum committee established pursuant to section 55002.

The student's academic record shall be clearly annotated to reflect that credit was earned through an international baccalaureate and/or college level examination program examination.

Note: Authority cited: Sections 66700 and 70901, Education Code. Reference: Sections 70901 and 70902, Education Code.

Foothill College
Credit Program Narrative
Associate in Science in Air Conditioning Mechanic

Item 1. Program Goals and Objectives

The Air Conditioning Mechanic program is offered in partnership with Sheet Metal Local 104 and Bay Area Training Fund. The program goals and objectives are to provide students on-the-job training and in-class instruction in the service sector of the sheet metal and heating, ventilating and air conditioning (HVAC) industry. The students will learn how to perform scheduled maintenance, troubleshoot and repair the HVAC systems used in commercial buildings.

Program Learning Outcomes:

- Students will be able to achieve EPA 608 and OSHA 30 Certifications.
- Students will be able to understand the different types, properties, and application of refrigerants.
- Students will be able to demonstrate the ability to measure, cut, bend, and make various types of tubing and piping connections.
- Students will be able to demonstrate the safe use of soldering and brazing equipment.
- Students will be able to explain functions of special components: filter driers, sight glass, suction line accumulator, liquid line receiver, hot gas bypass, ambient controls.
- Students will be able to explain the application and operational sequence of electric and gas heating.
- Students will be able to understand the different types of heat sources for hydronic heating (water, steam, geothermal/waste heat, solar).
- Students will be able to perform start-up, diagnosis, repair, and maintenance of cooling towers and pumps.
- Students will be able to demonstrate an understanding of green construction and energy conservation as it applies to the HVAC industry in California.
- Students will be able to explain the LEED rating system, and how it involves HVAC maintenance over the life of the building.

Item 2. Catalog Description

The Air Conditioning Mechanic program is offered in partnership with Sheet Metal Local 104 and Bay Area Training Fund. This 5-year apprenticeship program provides students with in-class instruction and paid on-the-job training with a sheet metal contractor, in the service sector of the sheet metal and heating, ventilating and air conditioning (HVAC) industry. The students will perform scheduled maintenance and troubleshoot system problems while dealing directly with a variety of customers. The students utilize understanding of refrigerant, electronic and pneumatic controls, filtration and duct systems to maintain safe and efficient system performance. Mechanics use test equipment to verify conditions, research manufacturer's data, and then adjust, repair and replace components as needed. Sheet Metal Air Conditioning Service Mechanics work on residential, light commercial and more often, complex commercial systems. Upgrade training is common in this occupation as more advanced and "greener" equipment is produced.

Per California Code of Regulations, this program is limited to students admitted to the Sheet Metal Local 104 & Bay Area Industry Training Fund's Air Conditioning Mechanic Program.

The Associate in Science in Air Conditioning Mechanic degree builds upon the Certificate of Achievement in Air Conditioning Mechanic by adding requirements for general education courses. Upon completion of the program, students will be eligible to receive an Apprenticeship Completion Certificate from the California Division of Apprenticeship Standards (DAS). The graduates will be employable as HVAC Service Technician/Mechanic; HVAC Service Manager; HVAC Contractor; NATE Certified Air Conditioning Mechanic; Test, Adjust & Balancing Technician; Building Inspector; foreman; estimator/detailer; contractor; instructor; project manager and other related occupations.

Item 3. Program Requirements

Requirements	Course #	Title	Units	Sequence
Core Courses (69 units)	APSM 122	SMQ-22 Codes & Standards	3	Year 4, Spring

Year 5, Winter = 4.5	
Year 5, Spring = 4.5	

TOTAL UNITS: 69 units

Item 4. Master Planning

The Associate in Science in Air Conditioning Mechanic aligns with the Foothill College Mission statement well. As part of a state registered apprenticeship program, it provides high level technical training to diverse students with different socio-economic backgrounds. It serves the students who live in the Santa Clara, Alameda, Contra Costa, SF, San Mateo, Monterey, and San Benito counties, and it provides on-the-job training with local employers. The program provides students with livable wages and health benefits for them and their families in the most prosperous state.

Item 5. Enrollment and Completer Projections

Currently, there are 110 students enrolled in the Air Conditioning Mechanic program. The retention rate for this program is between 90 to 95 percent because it also offers employment opportunities. We project to have 5 students graduating in 2021-22 and approximately 60-70 students will graduate by 2025-2026.

Item 6. Place of Program in Curriculum/Similar Programs

The Associate in Science in Air Conditioning Mechanic is an addition to our existing CTE programs and registered apprenticeship programs.

While this degree program is similar to the existing Air Conditioning and Refrigeration Technology program at Foothill, it differentiates itself in the need to train Sheet Metal workers as Air Conditioning Mechanics and by including Testing and Balancing of HVAC equipment as part of the curriculum. Industry needs require both trades to be trained independently of each other.

Item 7. Similar Programs at Other Colleges in Service Area

There are three (3) community colleges in the Bay Region issuing 130 awards on average annually (last 3 years) on TOP 09460.00 - Environmental Control Technology. There is one college (San Jose City College) in the Silicon Valley Sub-Region issuing 70 awards on average annually (last 3 years) on this TOP Code.

Air Conditioning Mechanic Occupations Labor Market Information Report Foothill College

Prepared by the San Francisco Bay Center of Excellence
for Labor Market Research
March 2020

Recommendation

Based on all available data, there appears to be an undersupply of Air Conditioning Mechanic workers compared to the demand for this cluster of occupations in the Bay region and in the Silicon Valley sub-region (Santa Clara County). There is a projected annual gap of about 908 students in the Bay region and 249 students in the Silicon Valley Sub-Region.

This report also provides student outcomes data on employment and earnings for programs on TOP 09460.00 - Environmental Control Technology in the state and region. It is recommended that these data be reviewed to better understand how outcomes for students taking courses on this TOP code compare to potentially similar programs at colleges in the state and region, as well as to outcomes across all CTE programs at Foothill College and in the region.

Introduction

This report profiles Air Conditioning Mechanic Occupations in the 12 county Bay region and in the Silicon Valley sub-region for Foothill College.

- Heating, Air Conditioning, and Refrigeration Mechanics and Installers (SOC 49-9021):** Install or repair heating, central air conditioning, or refrigeration systems, including oil burners, hot-air furnaces, and heating stoves.

Entry-Level Educational Requirement: Postsecondary nondegree award

Training Requirement: Long-term *on-the-job training*

Percentage of Community College Award Holders or Some Postsecondary Coursework: 42%

Note: The annual average for awards is 2015-16 to 2017-18.

Gap Analysis

Based on the data included in this report, there is a labor market gap in the Bay region with 1,038 annual openings for the Air Conditioning Mechanic occupational cluster and 130 annual (3-year average) awards for an annual undersupply of 908 students. In the Silicon Valley Sub-Region, there is also a gap with 319 annual openings and 70 annual (3-year average) awards for an annual undersupply of 249 students.

Student Outcomes

Methodology

Occupations for this report were identified by use of skills listed in O*Net descriptions and job descriptions in Burning Glass. Labor demand data is sourced from Economic Modeling Specialists International (EMSI) occupation data and Burning Glass job postings data. Educational supply and student outcomes data is retrieved from multiple sources, including CTE Launchboard and CCCCO Data Mart.

Foothill College
Credit Program Narrative
Associate in Science in Test, Adjust and Balancing (TAB) Technician

Item 1. Program Goals and Objectives

Test, Adjust and Balancing (TAB) Technician is a registered apprenticeship program offered in partnership with Sheet Metal Local 104 and Bay Area Training Fund. It provides students with both in-class instruction and paid on-the-job training with the technical aspects of heating, ventilating and air conditioning (HVAC) systems and duct systems for energy efficiency in the construction industry. The program also prepares students to take the Test and Balance Certification from International Certification Board (ICB). The program goals and objectives are to offer a solid career opportunity with livable wages along with retirement and health benefits and provide a highly trained and skilled workforce for students/apprentices in the HVAC industry.

Program Learning Outcomes:

- Students will be able to read plans and equipment performance data to determine the system design.
- Students will be able to measure airflow in HVAC systems using various instruments.
- Students will be able to adjust airflow values to achieve specified pressure differentials.
- Students will be able to make adjustment to system component for optimum efficient performance.
- Students will be able to prepare an IAQ report.
- Students will be able to perform room pressure differential readings.
- Students will be able to perform HEPA filter changes to industry standards.

Item 2. Catalog Description

Test, Adjust and Balancing (TAB) Technician is a registered apprenticeship program offered in partnership with Sheet Metal Local 104 and Bay Area Training Fund. This 5-year apprenticeship program provides students with 216 hours per year of day or evening class instruction and paid on-the-job training with a sheet metal contractor. This is a "green" construction field that is growing due to the need for indoor air quality and energy efficiency compliance. The type of work performed can range from pressure testing, adjusting and balancing of duct systems for energy efficiency to commissioning and completing documentation of HVAC systems in residential and commercial buildings. The work condition ranges from light physical activity to maneuvering into limited access areas with tools and equipment. Good communication skills are needed to interact with clients. Technicians are held to a code of conduct to assure quality measurements. The program offers a solid career opportunity with livable wages along with retirement and health benefits and provides highly trained and skilled workforce for students/apprentices in the HVAC industry.

Per California Code of Regulations, this program is limited to students admitted to the Sheet Metal Local 104 & Bay Area Industry Training Fund's Test, Adjust, and Balancing (TAB) Technician program.

The Associate in Science in Test, Adjust and Balancing (TAB) Technician degree builds upon the Certificate of Achievement in Test, Adjust and Balancing (TAB) Technician by adding requirements for general education courses. Upon completion of the program, students will be eligible to receive an Apprenticeship Completion Certificate from the California Division of Apprenticeship Standards (DAS), and a Test and Balance Certification from International Certification Board (ICB). Career opportunities include, but are not limited to: Test, Adjust and Air Balancing technician; TABB certified supervisor; service technician; Leadership in Energy and Environmental Design (LEED) inspector; sheet metal fabricator; compliance tester; entrepreneur; HVAC educator; business agent; and training coordinator.

	APSM 179C	Biological Safety Cabinets/Laboratory Fume Hoods	2	Year 5, Spring

TOTAL UNITS: 70 units

Proposed Sequence:

Year 1, Fall = 5.5

Year 1, Winter = 5

Year 1, Spring = 4.5

Year 2, Fall = 5-10

Year 2, Winter = 4.5

Year 2, Spring = 4.5

Year 3, Fall = 5

Year 3, Winter = 4.5

Year 3, Spring = 4

Year 4, Fall = 4.5

Year 4, Winter = 4.5

Year 5, Fall = 4.5

Year 5, Winter = 4.5

Year 5, Spring = 4.5

TOTAL UNITS: 70

Item 4. Master Planning

The Associate in Science in Test, Adjust and Balancing (TAB) Technician aligns with the Foothill College Mission statement well. As part of an approved Division of Apprenticeship Standards apprenticeship program, it serves 14 counties in Northern California and provides high level technical training to diverse students with different socio-economic backgrounds and ethnicities. The program provides students with livable wages along with retirement and health benefits for them and their families in the most prosperous state.

Item 5. Enrollment and Completer Projections

Currently, there are 80 students enrolled in the program. The retention rate for this program is between 90 to 95 percent because it offers students with employment opportunities. 9 students are projected to graduate in 2021-22. 70 students are project to graduate in 2025-2026.

Item 6. Place of Program in Curriculum/Similar Programs

The Associate in Science in Test, Adjust and Balancing (TAB) Technician is an addition to our existing CTE programs and registered apprenticeship programs.

Item 7. Similar Programs at Other Colleges in Service Area

According to the labor market report provided by SF Center of Excellence, five colleges in the Bay Region issued 17 awards on TOP Code 0946.10 - Energy Systems Technology, with nine of these in the Silicon Valley Sub-Region. However, our program is unique because it provides comprehensive in-class instruction and paid on-the-job training. In addition, Test, Adjust and Balancing (TAB) Technician is a registered apprenticeship program that is offered in partnership with Sheet Metal Local 104 and Bay Area Training Fund.

Additional Information Required for State Submission:

Testing, Adjusting and Balancing Occupations Labor Market Information Report Foothill College

Prepared by the San Francisco Bay Center of Excellence
for Labor Market Research
March 2020

Recommendation

Based on all available data, there appears to be an undersupply of Testing, Adjusting and Balancing workers compared to the demand for this cluster of occupations in the Bay region and in the Silicon Valley sub-region (Santa Clara County). There is a projected annual gap of about 1,039 students in the Bay region and 56 students in the Silicon Valley Sub-Region.

This report also provides student outcomes data on employment and earnings for programs on TOP 0946.10 - Energy Systems Technology in the state and region. It is recommended that these data be reviewed to better understand how outcomes for students taking courses on this TOP code compare to potentially similar programs at colleges in the state and region, as well as to outcomes across all CTE programs at Foothill College and in the region.

Introduction

This report profiles Testing, Adjusting and Balancing Occupations in the 12 county Bay region and in the Silicon Valley sub-region for a program modification at Foothill College.

- **Heating, Air Conditioning, and Refrigeration Mechanics and Installers (SOC 49-9021):** Install or repair heating, central air conditioning, or refrigeration systems, including oil burners, hot-air furnaces, and heating stoves.
Entry-Level Educational Requirement: *Postsecondary nondegree award*
Training Requirement: *Long-term on-the-job training*
Percentage of Community College Award Holders or Some Postsecondary Coursework: 42%
- **Metal-Refining Furnace Operators and Tenders (SOC 51-4051):** Operate or tend furnaces, such as gas, oil, coal, electric-arc or electric induction, open-hearth, or oxygen furnaces, to melt and refine metal before casting or to produce specified types of steel. Excludes "Heat Treating Equipment Setters, Operators, and Tenders, Metal and Plastic" (51-4191).
Entry-Level Educational Requirement: *High school diploma or equivalent*
Training Requirement: *Moderate-term on-the-job training*
Percentage of Community College Award Holders or Some Postsecondary Coursework: 26%

Methodology

Occupations for this report were identified by use of skills listed in O*Net descriptions and job descriptions in Burning Glass. Labor demand data is sourced from Economic Modeling Specialists International (EMSI) occupation data and Burning Glass job postings data. Educational supply and student outcomes data is retrieved from multiple sources, including CTE Launchboard and CCCCCO Data Mart.

Program Mapping Workflow Form

Foothill College
Credit Program Narrative
Certificate of Achievement in Infant and Toddler Development and Care

Item 1. Program Goals and Objectives

The Certificate of Achievement in Infant and Toddler Development and Care prepares educators to work with infants and toddlers in early childhood programs. This certificate will replace the previous non-transcriptable Infant Toddler Development Certificate of Specialization. The certificate’s requirements fulfill the units required for the Associate Teacher Child Development Permit, as well as the requirements to work as a “fully qualified teacher” under Title 22 regulations. Furthermore, the certificate holder would be fully qualified to work as a teacher with the infant and toddler age group under Title 22 regulations.

Program Learning Outcomes:

- Demonstrate understanding of the needs and characteristics of children birth through 3 years of age, and the multiple influences on their development.
- Demonstrate ethical standards and professional behaviors that deepen knowledge and commitment to the field of early care and education as related to NAEYC Code of Ethical Conduct and the Program for Infant Toddler Care.
- Demonstrate understanding of the caregiver's role at each stage of infancy in supporting infant/toddler development in group care environments.

Item 2. Catalog Description

The Certificate of Achievement in Infant and Toddler Development and Care prepares educators to work with infants and toddlers in early childhood programs. The requirements fulfill the units required for the Associate Teacher Child Development Permit, as well as the requirements to work as a “fully qualified teacher” under Title 22 regulations. Furthermore, the certificate holder would be fully qualified to work as a teacher with the infant and toddler age group under Title 22 regulations.

Item 3. Program Requirements

Requirements	Course #	Title	Units	Sequence (2 Year Plan)
Core Courses (22 units)	CHLD 1	Child Growth & Development: Prenatal through Early Childhood	4	Year 2, Spring
	CHLD 8	Child, Family & Community	4	Year 1, Spring
	CHLD 50D	Infant & Toddler Development & Care	5	Year 1, Fall
	CHLD 53NC	Supporting Children with Special Needs in Children's Programs	3	Year 2, Fall
	CHLD 56N	Principles & Practices of Teaching Young Children	4	Year 1, Winter

	CHLD 88B	Positive Behavior Management	2	Year 2, Winter
--	----------	------------------------------	---	----------------

TOTAL UNITS: 22 units

Proposed Sequences:

2 Year Plan (one course per quarter):

- Year 1, Fall = 5 units
- Year 1, Winter = 4 units
- Year 1, Spring = 4 units
- Year 2, Fall = 3 units
- Year 2, Winter = 2 units
- Year 2, Spring = 4 units

TOTAL UNITS: 22 units

1 Year Plan (two courses per quarter):

- Year 1, Fall = 8 units
- Year 1, Winter = 6 units
- Year 1, Spring = 8 units

TOTAL UNITS: 22 units

Item 4. Master Planning

This program prepares the early childhood education workforce, by supplying entry-level teachers the units they need to start working in early childhood programs. It is a starting place in the workforce and in their education. Students are encouraged to go on to gain an associate's degree with Foothill or a degree for transfer. This program directly supports underrepresented populations, both the students in their career goals and the families of our community.

Item 5. Enrollment and Completer Projections

Initial enrollment of the CHLD 50D course gives us an idea of how many might pursue this certificate in the coming year. In Fall 2021 and in Spring 2022 we immediately had the courses of 40 students fill. We anticipate we could award around 20 certificates the first year and ~30 certificates annually after that.

		Year 1 (2019-2020)		Year 2 (2020-2021)	
Course #	Course Title	Annual Sections	Annual Enrollment	Annual Sections	Annual Enrollment
CHLD 1	Child Growth & Development: Prenatal through Early Childhood	15	691	12	536
CHLD 8	Child, Family & Community	11	411	10	269

CHLD 50D*	Infant & Toddler Development & Care	N/A	N/A	N/A	N/A
CHLD 53NC	Supporting Children with Special Needs in Children's Programs	2	74	2	77
CHLD 56N	Principles & Practices of Teaching Young Children	5	193	4	177
CHLD 88B	Positive Behavior Management	5	98	3	114

**CHLD 50D was offered for the first time in Fall 2021*

Item 6. Place of Program in Curriculum/Similar Programs

This content does not overlap with any other curriculum/programs at Foothill College.

Given that this certificate consists of only current Child Development courses, the impact is small. Students can use the courses on this certificate towards a Child Development AA degree, as well (both core and support courses).

Item 7. Similar Programs at Other Colleges in Service Area

This certificate will replace the previous non-transcriptable Infant Toddler Development Certificate of Specialization. The curriculum is similar, and we've simply combined two courses (CHLD 50A and CHLD 79) into one (CHLD 50D).

Many/most colleges in our area offer a certificate of this type as it meets the demand of the early education field.

Additional Information Required for State Submission:

Labor Market Information Report

Infant and Toddler Care Occupations

Foothill College

Prepared by the San Francisco Bay Center of Excellence for Labor Market Research
February 2022

Recommendation

Based on all available data, there appears to be an “undersupply” of Infant and Toddler Care workers compared to the demand for this cluster of occupations in the Bay region and in the Silicon Valley sub-region (Santa Clara county). There is a projected annual gap of about 13,681 students in the Bay region and 2,584 students in the Silicon Valley Sub-Region.

Introduction

This report provides student outcomes data on employment and earnings for TOP 1305.00 Child Development/Early Care and Education programs in the state and region. It is recommended that these data be reviewed to better understand how outcomes for students taking courses on this TOP code compare to potentially similar programs at colleges in the state and region, as well as to outcomes across all CTE programs at Foothill College and in the region.

This report profiles Infant and Toddler Care Occupations in the 12 county Bay region and in the Silicon Valley sub-region for an existing low unit, local certificate for state chaptering at Foothill College.

- **Preschool Teachers, Except Special Education (25-2011):** Instruct preschool-aged children in activities designed to promote social, physical, and intellectual growth needed for primary school in preschool, day care center, or other child development facility. Substitute teachers are included in “Teachers and Instructors, All Other” (25-3099). May be required to hold State certification. Excludes “Childcare Workers” (39-9011) and “Special Education Teachers” (25-2050).
Entry-Level Educational Requirement: Associate’s degree
Training Requirement: None
Percentage of Community College Award Holders or Some Postsecondary Coursework: 38%
- **Teaching Assistants, Except Postsecondary (25-9045):** Perform duties that are instructional in nature or deliver direct services to students or parents. Serve in a position for which a teacher has ultimate responsibility for the design and implementation of educational programs and services. Excludes “Graduate Teaching Assistants” (25-1191).
Entry-Level Educational Requirement: Some college, no degree
Training Requirement: None
Percentage of Community College Award Holders or Some Postsecondary Coursework: 39%
- **Childcare Workers (39-9011):** Attend to children at schools, businesses, private households, and childcare institutions. Perform a variety of tasks, such as dressing, feeding, bathing, and overseeing play. Excludes “Preschool Teachers, Except Special Education” (25-2011) and “Teacher Assistants” (25-9041).
Entry-Level Educational Requirement: High school diploma or equivalent

Training Requirement: Short-term on-the-job training

Percentage of Community College Award Holders or Some Postsecondary Coursework: 38%

Methodology

Occupations for this report were identified by use of skills listed in O*Net descriptions and job descriptions in Burning Glass. Labor demand data is sourced from Economic Modeling Specialists International (EMSI) occupation data and Burning Glass job postings data. Educational supply and student outcomes data is retrieved from multiple sources, including CTE Launchboard and CCCCCO Data Mart.

Foothill College
Credit Program Narrative
Certificate of Achievement in Nanny, Child, and Family Studies

Item 1. Program Goals and Objectives

The Certificate of Achievement in Nanny, Child, and Family Studies prepares the student to provide quality care in the home through fundamental child development coursework plus courses specific to the needs of nannies, children and families. The certificate demonstrates a specific formal education to employers, as well as satisfies the requirements of “12 ECE units” under Title 22 and the Associate Child Development Permit education requirements under Title 5.

Program Learning Outcomes:

- Demonstrate understanding of the needs and characteristics of children birth through early childhood and how to provide quality care based on those needs.
- Exhibit the ability to sensitively respond to the diverse needs of families, showing competence in communication skills and reflective practices.

Item 2. Catalog Description

The Certificate of Achievement in Nanny, Child, and Family Studies prepares the student to provide quality care in the home through fundamental child development coursework plus courses specific to the needs of nannies, children and families. The certificate demonstrates a specific formal education to employers, as well as satisfies the requirements of “12 ECE units” under Title 22 and the Associate Child Development Permit education requirements under Title 5.

Item 3. Program Requirements

Requirements	Course #	Title	Units	Sequence
Core Courses (20 units)	CHLD 1	Child Growth & Development: Prenatal through Early Childhood	4	Year 1, Spring
	CHLD 8	Child, Family & Community	4	Year 1, Winter
	CHLD 50D	Infant & Toddler Development & Care	5	Year 1, Fall
	CHLD 80A	Communication & Self-Reflection Practices for Nannies	2	Year 1, Fall
	CHLD 80B	Curriculum in the Home	2	Year 1, Winter
	CHLD 80C	Safety & Nutrition of Young Children in the Home	1	Year 1, Spring
	CHLD 88B	Positive Behavior Management	2	Year 1, Spring

TOTAL UNITS: 20 units

Proposed Sequence:

Year 1, Fall = 7 units

Year 1, Winter = 6 units

Year 1, Spring = 7 units

TOTAL UNITS: 20 units

Item 4. Master Planning

In the United States, there is no developed curriculum for nannies in public education. While there is a demand for nannies to have Child Development units, these general courses don't support all of the practices necessary to provide quality care in the home. We in the Child Development and Education department wish to create a certificate of achievement that combines existing coursework in Child Development with newly approved courses (CHLD 80A, 80B and 80C) that focus on the role of the nanny in the home.

We believe this certificate would be a valuable addition to the workforce, particularly in our region where nannies are in demand and education is valued. Our Advisory board, with many representatives from the early childhood education and care field, agree and have approved this as a proposed certificate. We believe this certificate will allow professional nannies to advocate for themselves by achieving formal education that hasn't been previously offered, and will raise the quality of care provided by these individuals. Since this program is unique, we will be pursuing offering the courses online and as a hybrid, there is potential for great demand from students near and far.

This program directly supports Foothill College's position on equity. The program will directly support those coming from disadvantaged groups—see the EPI data on domestic workers, below.¹ Women historically are paid .79-.82 to the dollar compared to men, and for women of color, this number is even less.² The average domestic worker is female and of color. It is our desire to provide an equitable program in which everyone can improve their skills and qualify for better positions and pay in the field of childcare.

Given that this certificate consists of only current Child Development courses, the impact is small. We're utilizing current faculty to teach the courses, though may have to hire others with this specialized experience. Given that we've started with offering the small courses just once a year, the impact is minor.

1. Data from Economic Policy Institute, www.EPI.org Here are just a few key findings from their site:
 - “The vast majority (91.5%) of domestic workers are women and just over half (52.4%) are black, Hispanic, or Asian American/Pacific Islander women.”
 - “Though most (64.9% of) domestic workers are U.S.-born, they are more likely than other workers to have been born outside the U.S. and they tend to be older than other workers.”

- “The typical (median) domestic worker is paid \$12.01 per hour, much less than other workers (who are paid \$19.97 per hour). Even when compared with demographically similar workers, domestic workers on average are paid just 74 cents for every dollar that their peers make.”
 - “Domestic workers are three times as likely to be living in poverty as other workers, and almost three times as likely to either be in poverty or be above the poverty line but still without sufficient income to make ends meet.”
 - “Fewer than one in 10 domestic workers are covered by an employer-provided retirement plan and just one in five receives health insurance coverage through their job.”
2. Profile, Practices and Needs of California’s Domestic Work Employers May 2016 Labor Center <https://irle.ucla.edu/wp-content/uploads/2016/03/Profile-Practices-and-Needs-of-Californias-Domestic-Work-Employers.pdf>
- 19% of all domestic employees are nannies
 - the Bay Area employs more domestic employees compared to other areas of California

Item 5. Enrollment and Completer Projections

Initial enrollment of the 80 series courses gives us an idea of how many might pursue this certificate in the coming year. In Fall 2021, we had 35 students enrolled in 80A, all of which are currently serving as nannies. These courses and the proposed certificate will only gain in popularity as word gets out about this unique program and offerings. We anticipate we could award ~35 certificates annually.

Course #	Course Title	Year 1 (2019-20)		Year 2 (2020-21)	
		Annual Sections	Annual Enrollment	Annual Sections	Annual Enrollment
CHLD 1	Child Growth & Development: Prenatal through Early Childhood	15	691	12	536
CHLD 8	Child, Family & Community	11	411	10	269
CHLD 50D	Infant & Toddler Development & Care	N/A	N/A	N/A	N/A
CHLD 80A	Communication & Self-Reflection Practices for Nannies	N/A	N/A	N/A	N/A
CHLD 80B	Curriculum in the Home	N/A	N/A	N/A	N/A
CHLD 80C	Safety & Nutrition of Young Children in the Home	N/A	N/A	N/A	N/A
CHLD 88B	Positive Behavior Management	5	98	3	114

Item 6. Place of Program in Curriculum/Similar Programs

This content does not overlap with any other curriculum/programs at Foothill College.

Given that this certificate consists of only current Child Development courses, the impact is small. Students can use the courses on this certificate towards a Child Development AA degree, as well (both core and support courses).

Item 7. Similar Programs at Other Colleges in Service Area

To our knowledge, we are the first California Community College to offer curriculum specifically for nannies. We know of no other certificates that address this workforce need.

Additional Information Required for State Submission:

TOP Code: 1305.00 Child Development/Early Care and Education

Labor Market Analysis for Program Recommendation

Childcare Workers

Foothill College

**Prepared by the San Francisco Bay Center of Excellence for Labor Market Research
February 2022**

Recommendation

Based on all available data, there appears to be an “undersupply” of Childcare Workers compared to the demand for this cluster of occupations in the Bay region and in the Silicon Valley sub-region (Santa Clara county). There is a projected annual gap of about 8,043 students in the Bay region and 1,401 students in the Silicon Valley Sub-Region.

Introduction

This report provides student outcomes data on employment and earnings for TOP 1305.00 Child Development/Early Care and Education programs in the state and region. It is recommended that these data be reviewed to better understand how outcomes for students taking courses on this TOP code compare to potentially similar programs at colleges in the state and region, as well as to outcomes across all CTE programs at Foothill College and in the region.

This report profiles Childcare Workers in the 12 county Bay region and in the Silicon Valley sub-region for a proposed Nanny, Child and Family Studies program at Foothill College.

Labor market information (LMI) is not available at the eight-digit SOC Code level for Nannies (39-9011.01), therefore, the data shown in Tables 1 and 2 is for Childcare Workers (at the six digit SOC level) and likely overstates demand for Nannies. Tables 3, 4, 6, 9, 10 and 11 use job postings data from Burning Glass at the eight-digit SOC Code level for Nannies (39-9011.01).

- **Childcare Workers (39-9011):** Attend to children at schools, businesses, private households, and childcare institutions. Perform a variety of tasks, such as dressing, feeding, bathing, and overseeing play. Excludes “Preschool Teachers, Except Special Education” (25-2011) and “Teacher Assistants” (25-9041).
 Entry-Level Educational Requirement: High school diploma or equivalent
 Training Requirement: Short-term on-the-job training
 Percentage of Community College Award Holders or Some Postsecondary Coursework: 38%

Educational Supply

There are 23 community colleges in the Bay Region issuing 2,009 awards on average annually (last 3 years ending 2018-19) on TOP 1305.00 Child Development/Early Care and Education. In the Silicon Valley Sub-Region, there are six (6) community colleges that issued 296 awards on average annually (last 3 years) on this TOP code.

There is one (1) other CTE educational institution in the Bay Region and Silicon Valley Sub-Region issuing 22 awards on average annually (last 3 years ending 2016-17) on TOP 1305.00 Child Development/Early Care and Education.

Table 7a. Community College Awards on TOP 1305.00 Child Development/Early Care and Education in Bay Region

To: CCC
From: PSME CC
Date: 4/12/22

The PSME curriculum committee respectfully requests that the language for the minimum proficiency in mathematics for the AA/AS degree be changed.

Recent State legislation AB 705 has led to severe restrictions on pre-transfer level Math course offerings. Colleges are required to “place students with a goal of transfer to a four-year institution, earning a certificate, or a local associate degree in transfer-level (or the required college-level) coursework in English and mathematics (quantitative reasoning), unless (A) the student is highly unlikely to succeed in the transfer-level course; and (B) enrollment in pre-transfer level coursework will improve the student’s likelihood of completing transfer-level courses in one year” ([Validation Practices Memo](#), 2020).

Since Institutional Research has indicated that item (B) above is not being met, Foothill College is prohibited from offering pre-transfer level math courses like MATH 105 and 180. These two courses are currently listed explicitly in the minimum math proficiency requirement, so students may be misled by the existing statement.

The existing proficiency statement reads:

“Minimum proficiency: MATH 105 or 180 or any MATH course approved for Foothill GE Area V, Communication & Analytical Thinking.”

We would like to remove the explicit mention of these course numbers while maintaining the [Title V mandated](#) Intermediate Algebra proficiency requirement. Our proposed language is as follows:

Minimum proficiency: College level math course at or above the level of Intermediate Algebra.
