April 19, 2024

News & Announcements:

- ❖ **Addition to Foothill GE:** On April 16th, CCC approved one application from the Apprenticeship division to map the major requirements for a degree program to a Foothill GE area. Unlike the usual GE application process, these approvals are not specific to one individual course; instead, any student who completes the full major requirements for the degree will fulfill the GE area (beginning in 2024-25).
