**Course Updates & Actions:**

| <b>Course #</b> | <b>Course Title</b>                              | <b>Action(s)</b>  |
|-----------------|--|---|
| D A 50          | Orientation to Dental Assisting                  | Approved a unit change from 2.5 units to 1 unit, and a corresponding load change to 0.022, in accordance with load taskforce guidelines. Material covering law and ethics was moved from this class into another class where the content is a better fit. |
| D A 71          | Infection Control and Hazardous Waste Management | Approved a load change to 0.049. One hour of lab was added to this class to ensure students can properly demonstrate infection control protocols. There is no unit change to the class since 1 hour of lab would be a fraction of a unit.                 |
