During our Tuesday, 4/5, division meeting, Katy talked about some curriculum issues that need to be taken care of asap. The first was the approval of KINS 81 DE. A vote was taken and passed unanimously. Next was the discussion of title 5 updates. Katy shared her screen and went into CourseLeaf and explained step by step how to complete the updates, including the breath mapping. Katy will be sending out to all full-time faculty a list of courses that they will be responsible for completing the title 5 updates. Donna Frankel agree to help with DANC curriculum, during Bubba's absence.
