Meeting Minutes:

- ❖ ACC reviewed and approved the following new APSM New Courses: 180A, 180B, 180C, 181A, 181B, 181C - approval for distance learning - **Matt motioned, Jonathan second - all ACC members voted aye to move forward.**
- ❖ Introductions for our new ACC members for this academic year. A review of roles and programs. Welcome Andrew, Matt, Chris and John.
- ❖ An introduction of our new apprenticeship program partner, AATA, John Stewart, gave an introduction of the non-destructive testing trade and the American Aerospace Technical Academy Apprenticeship Program. **AATA will be submitting a new certificate program form, the AATA program will be a certificated program and a proposal form is required. John motioned for the proposal form to be approved, Brian second the motion, all ACC members voted aye.**
- ❖ **Baccalaureate Degree - Discussion:** Chris & Phuong presented to the ACC the intent to explore submitting a Baccalaureate Degree Proposal. An overview of the process, the intent and a lengthy discussion around current AS degree pathways, the vision of upper division courses in an Industrial Technology & Construction Management pathway was shared, survey questions were discussed for all contractors and journeypersons. All ACC members supported the vision and would support the efforts and provide any documentation and letters of support for the proposal. **Brian motioned for the baccalaureate degree proposal to move forward, Stephan second and an enthusiastic unanimous aye from all ACC members to move forward to the CCC for further discussion and work on the application for the January 13th due date.**
