Minutes

In attendance: Katy, Jeff, Kelly, Warren, Don, Setsuka and Rita

The meetings started at 8:00 a.m. Jeff was asked to give an update on what was being discussed in the college wide curriculum committee. He mentioned some new certificates that have been proposed. He also mentioned that De Anza wants to start coordinating with Foothill in regard curriculum and what is being written. That is up for further discussion. Jeff mentioned there is continued discussion about having in writing a discontinuation program process. He said the bulk of the discussion continues to be about the implementation of equity into all CORs. We discussed how to implement this as a division. There will be continued discussion about on this subject.

Katy then discussed new curriculum and if any of us had ideas. Setsuka mentioned certifications for yoga and/or Pilates instructor. There was discussion on the feasibility due to the length of hours required to become a certified instructor. At this point, it doesn't seem feasible. We discussed other ideas. One that was considered for the future is a Lifeguard certification. This brought up the discussion of whether or not we need to be CPR certified. Warren said it wasn't required to teach but is recommended and that Mike would like to see everyone certified. Jeff is going to discuss this with Mike and the idea of having a division CPR certification workshop and possibly during one college opening day.

Lastly, Katy stated that our next and last division curriculum meeting for the school year is scheduled for June 7 at 8:00.
