

Statement of Support for New Board Policy: Annual Review of Student Salary Schedule

This governing body hereby endorses the adoption of a new board policy to require annual study of student employee salary schedule by district staff. This study shall be agendaized as an action item and reviewed by the Board of Trustees each spring. The standard of wage determination shall be local minimum wage within Santa Clara County; in the case that the County minimum wage defers to local index, the standard of wage determination shall be minimum wage for the city of Cupertino.
