Updated Draft Resolution Presented to CCC (2/1/22)

- Whereas meta majors are a recommended component of the Guided Pathways framework that are intended to make it easier for students to identify, pursue, and complete a program of study by grouping programs of study based on curricular overlap, taxonomy of program (TOP) code, and labor market information; and

- Whereas the Guided Pathways team has engaged campus constituents at division and department meetings, at Academic Senate, at Classified Senate, at Student Senate, at monthly Meta Major Work Team meetings, and at weekly Meta Major O~~o~~ffice H~~h~~ours, and has collaborated with faculty, students, staff, and administrators to group meta major ~~model~~s at two campus wide Sorting Day events; and

- Whereas the majority of campus constituents voiced preference for the Career and Academic Pathway<u>s groupings</u>~~model~~ of meta majors, ~~which is the basis of the Foothill College Meta Majors Model,~~ and that program placement impacted by the adoption of th<u>ese</u>~~is~~ <u>groupings</u>~~model~~ <u>and their names (add names of program groupings here)</u>, rather than another proposed option<u>,</u> ~~has~~<u>have</u> been considered and approved by individual departments ~~and reflected in the Foothill College Meta Major Model~~; and

- Whereas, the Academic Senate for California Community Colleges urges local senates to assert that determining the content, categories, and titles of the "meta majors" or "areas of focus" is a local curricular and educational program decision that falls within academic senate purview as defined by Title 5 §53200 (resolution F17 9.01, and that the College Curriculum Committee (CCC) is the sub-committee of the Academic Senate which establishes and approves campus-wide curriculum policies

- Resolved that CCC Approve the proposed ~~Foothill College M~~ <u>seven meta m</u>~~M~~ajor <u>groupings</u>~~Model~~ <u>(add name of groupings)</u>, known collectively as "Career and Academic Pathways," and recommend <u>their</u>~~its~~ approval to the Academic Senate.
