2024-25 Projects

Ideas for 2024-25 projects:

- Improving conference funding procedures
- PD that does not depend on other classified to give it
- Mentoring program for new classified employees
- Building and maintaining relationships between faculty, admins, and classified

Idea for 13-55 project: Collect and elevate instances where the college's policies, procedures, or processes unintentionally affect students in inequitable ways so they can be addressed or ameliorated if possible.
