1) Meeting Minutes

- [The committee voted and approved the meeting minutes by consensus.](#)

2) IP&B Update

- Kristy provided an update on the implementation of program review for 2019-2020.
 - During the 2019 spring quarter and over the summer, many of the student services programs have participated in a retreat to revise the student services template. Student Services will continue to build the program review template in 2019-2020, and implement in 2020-2021. Kristy will ask the Advisory Council for approval for IP&B to continue its work with program review implementation.
- Programs that will complete the Instructional Template in 2019-2020 will be notified.
