Buildings, Grounds, and Sustainability Committee

- Last Meeting was Tuesday, 3/11/2025
- <https://foothill.edu/gov/bgs/>

Grounds Items:

Campus Leaks:

- **Smithwick Theatre** – has been repaired
- **Lower Campus (8100 – 8300)** – Enrollment Services & Counseling
- **Building 3000**
 - **BSS Deans Office**

Grounds Items:

New Custodian Hired

- Primary Location will be the 5000 Buildings

New Grounds Keeper Position

- 6th Grounds keeper
- Middle of April start time

Sustainability – 3 Bin Recology:

- De Anza College has not started 3 bin pilot program
- Recommend proceeding with Foothill pilot
- To-do List:
 - Options for Compost bins
 - Identify locations
 - Education plan for students & staff

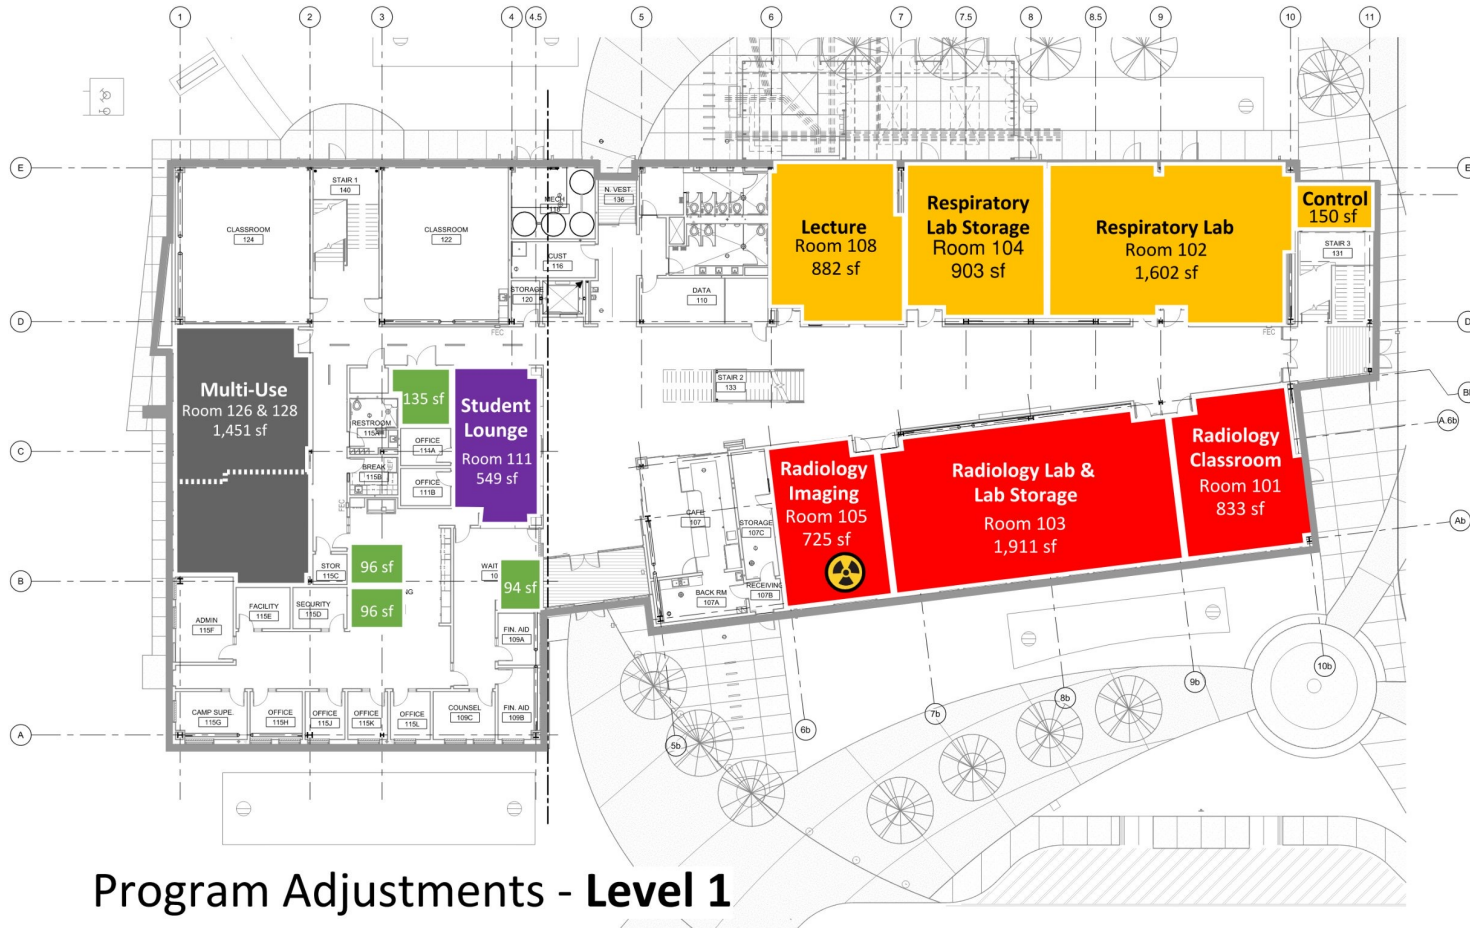

Sunnyvale Center

Remodel classrooms and HVAC:

- Radiologic Technology Program
- Respiratory Therapy Program
- EMS, EMT & Paramedic Program
- Student Lounge
- Additional faculty offices & conference space

Sunnyvale Center Renovations:

Sunnyvale Center Renovations:

Program Adjustments - Level 2

Four (4) EV Charging Stations

Signage Measure G

- Project 111 – Upgrade Campus Site Access, Signage and Wayfinding
- \$15.8 million
- Process will start back in April – Spring Quarter

Foothill Aquatics Center

Suggestion for 1900 Courtyard:

Koi Pond:

- Provide peace and beauty to the Courtyard
- Make fountain area usable

Concerns:

- Water Leak in current pond - depth
- Drainage into pond - may not maintain proper pH levels for fish.
- Potential wildlife risks, especially from raccoons.

Follow-up after we get information from subject matter expert
