STUDENT SPEAKERS

TEREZA KOPCILOVA | Class of 2021 | Foothill College

Tereza Kopcilova is an international student from the Czech Republic. She is graduating with a business administration degree and will be temporarily transitioning to the workforce for one year of Optional Practical Training to gain more experience in her field. Tereza has served as an Associated Students of Foothill College marketing commissioner and co-chair on the Marketing Committee, worked two years as a student employee at the Financial Aid Office, and participated in the Business Entrepreneurship Club as the vice president of finance.

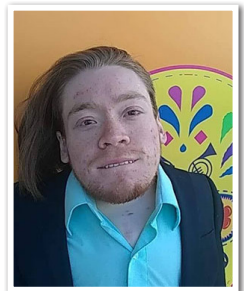

Tereza found her passion for student advocacy at Foothill College, and she has proposed new ideas that will benefit students for years to come.

“I want to thank Foothill’s faculty, staff, colleagues, mentors, and my family and friends for always supporting me in everything I do, believing in me, and encouraging me to follow my passion and heart.”

PABLO LASSO | Class of 2021 | Foothill College

Pablo Lasso is originally from Chile. Pablo is a percussionist of Afro-Cuban rhythms and plays instruments like the djembe, cajon and bodhran at the Stanford Catholic Community and with a jazz combo called Tuesday Noons. Pablo also composes hip-hop songs with social impact.

Pablo is graduating with an associate degree in music technology and is excited about his future as a music producer. “I am a little person and have Morquio Syndrome. I have overcome many hurdles in my life in order to be here, therefore this is a great milestone for me to graduate,” Pablo says. “I am beyond thankful to Foothill College.”

In his free time, Pablo likes to row at the Bair Island Aquatic Center at the adapted rowing program or outdoors on the water and hike in the California and Chile mountain foothills.

CLASSIFIED SPEAKER

PAULINE BROWN-UILI, M.A. | Supervisor | Family Engagement Institute

Pauline Brown-Uili is a second-generation Samoan American, born and raised in East Palo Alto, and the oldest of seven siblings. When she was nine, Pauline volunteered with the Foothill College Counseling Department and Pass the Torch. She fondly remembers how Dr. Jean Thomas and her team greeted every student with a smile. Pauline attended Eastside College Preparatory School and studied cell molecular biology at the University of California, Merced. She was the first in her family to receive her bachelor's degree. Recently, Pauline received her Master of Arts in leadership from William Jessup University.

Pauline is dedicated to the work of serving students. She has coordinated many college and community events, emceed student government and FEI events, advised the People of the Pasefika (POP) student club, and mentored countless students. She has also served as a recorder, facilitator, and classified staff member on the Revenue and Resource Council and is an active member in the Asian Pacific American Network (APAN). Pauline enjoys spending time with family, laughing with friends, and serving as a mentor to the youth in her community. She is honored to speak at this year's commencement and wishes all the graduates a huge blessing on their future endeavors.

FACULTY SPEAKER

TIFFANY RIDEAUX, PSY.D. | Instructor | Psychology

Tiffany Rideaux has been a full-time instructor in the psychology department at Foothill College since fall 2014 and is currently an Umoja co-coordinator and a faculty mentor in the Humanities Mellon Scholar program. She earned her bachelor's degree in Italian studies from Stanford University and her doctorate degree in clinical psychology from the PGSP – Stanford PsyD Consortium program at Palo Alto University. Prior to teaching, she worked for the San Francisco non-profit Institute on Aging, conducting in-home cognitive assessments and published research with colleagues at the VA Palo Alto Healthcare System. She is passionate about psychology and helping students use mindfulness and meditation skills to manage their social and emotional experiences.

THE BACHELOR'S DEGREE

Today marks Foothill's fourth graduating class receiving a bachelor's degree in dental hygiene. In 2015, Foothill was one of 15 California community colleges selected to offer a baccalaureate program. Students acquire the necessary skills, knowledge and practice in their field for a fraction of the cost of a four-year university or college. Foothill's dental hygiene program has received accolades from the California Community College Chancellor's Office for the attainment of post-college outcomes in employment, earnings gains and regional living wages. Students may enter the job market immediately or choose to pursue a graduate degree upon completing board exams and licensing requirements.

THE ASSOCIATE DEGREE

Earning the associate degree represents more than an accumulation of units. It symbolizes the successful completion of established patterns of learning designed to develop capabilities and insights. Among these are the ability to think and communicate clearly; use mathematics; understand the modes of inquiry of major disciplines; be aware of other cultures, eras and places; gain insight into ethical problems; and develop self-understanding. In addition to all these, the student focuses on one field of knowledge in sufficient depth to contribute to lifetime interest. Additionally, the associate degree for transfer guarantees the student admission with junior standing to the California State University system.

ALMA MATER

Oh, Foothill we raise our voices in praise
For all of the joys we've known.
Your scarlet and black will welcome us back,
No matter how far we may roam.
By the bay and the blue of Pacific's shore
Lies the campus we'll love forever more.
Oh, college so fair, there's none can compare
With you, alma mater we love.

*Music and lyrics originally composed by Foothill College
instructors Fred Warren and Melvin Applebaum*

THE STAR-SPANGLED BANNER

O say can you see by the dawn's early light,
What so proudly we hailed at the twilight's last gleaming,
Whose broad stripes and bright stars through the perilous fight,
O'er the ramparts we watched, were so gallantly streaming?
And the rockets' red glare, the bombs bursting in air,
Gave proof through the night that our flag was still there;
O say does that star-spangled banner yet wave,
O'er the land of the free and the home of the brave.

Composed by Francis Scott Key

LIFT EV'RY VOICE AND SING

Lift ev'ry voice and sing
'Til earth and heaven ring
Ring with the harmonies of Liberty
Let our rejoicing rise
High as the list'ning skies
Let it resound loud as the rolling sea
Sing a song full of the faith that the dark past has taught us
Sing a song full of the hope that the present has brought us
Facing the rising sun of our new day begun
Let us march on 'til victory is won

*Written by James Weldon Johnson
Music by John Rosamond Johnson*

ACADEMIC REGALIA

In the 12th and 13th centuries, when universities were under the jurisdiction of the church, students wore habits, or cloaks with hoods, which were designed to provide warmth in unheated buildings. The more colorful modern academic costume originated at England's Oxford and Cambridge universities in the 1300s, and has been used continuously in the U.S. since colonial days.

The mortarboard represents no particular degree or school, except that the short, gold tassel is worn only by holders of the doctorate degree. The tassel may be worn on either side of the cap.

The gown itself is usually black for all holders of baccalaureate or higher degrees. Bachelor's and master's degrees styles differ little, but doctorate gowns are faced with velvet panels and velvet bars on the sleeves.

Only the hood itself shows by its length and colors the distinction among degrees, academic majors, and colleges or universities that conferred the degrees. The higher the degree, the longer the hood and the wider the velvet facing that outlines the hood. The color of the velvet facing denotes the academic area in which the degree was awarded. The colors of the satin lining in the hood are the colors of the school where the degree

was awarded (e.g., Stanford University colors are cardinal and white; University of California, Berkeley, colors are blue and gold).

Field colors that symbolize academic areas of study are as follows:

Arts, Letters & Humanities	White
Business	Light Brown
Dentistry	Lilac
Drama	Brown
Economics	Copper
Education & Counseling	Light Blue
Engineering	Orange
Fine Arts	Brown
Journalism	Crimson
Law	Purple
Library Science	Lemon
Mathematics & Physics	Gold
Medicine	Kelly Green
Music	Pink
Nursing	Apricot
Philosophy	Dark Blue
Physical Education	Sage Green
Public Administration	Peacock
Science	Gold
Social Science	Citron
Speech	Silver
Veterinary Science	Gray

ABOUT THIS PROGRAM

This program is dedicated to the Class of 2020-2021, as well as to the Foothill College faculty and staff who have fostered the success of today's graduates. The college has made every effort to ensure that all information in this publication is accurate and that all persons deserving of recognition are acknowledged. We regret any inadvertent omission.

Foothill College does not discriminate against any person in the provisions of any program or service based on age, ancestry, color, disability, gender, gender identity, marital status, medical condition, national origin, race, religion, sexual orientation or veteran status.

A LEGACY OF INNOVATION

In 1957, founding Superintendent Dr. Calvin C. Flint surveyed the 122-acre site that would soon be transformed into one of the nation's preeminent community colleges. He envisioned a campus that would foster innovation and academic excellence. As Foothill celebrates our 61st annual Commencement Ceremony, we renew our commitment to that legacy of innovation.

From our first graduating class of 37 students in 1960, Foothill has grown to serve approximately 13,000 day, evening, and online students each quarter. Foothill is a nationally recognized leader in educational excellence. This recognition is due to the exemplary work of our dedicated faculty and staff and the talents of the extraordinary students who graduate each year.

This year, we also celebrate the fourth cohort of students who will receive a Bachelor of Science degree in Dental Hygiene. Foothill College is one of 15 community colleges offering baccalaureate degrees in the State of California.

Service leadership is Foothill College's vision for educating students and preparing them to be leaders. Students participate in service leadership projects in and out of the classroom, locally and internationally. Projects take place throughout the year and culminate in the annual Research & Service Leadership Symposium, which takes place each May.

Founded on the principle of educational opportunity for all, Foothill College provides quality education with an equity focus. The physical beauty, architectural integrity and hilltop location of Foothill College symbolize the distinction and innovation that are the essence of the college's academic programs and services.
