62ND ANNUAL COMMENCEMENT

FRIDAY, JUNE 24, 2022

6 P.M.

12345 EL MONTE ROAD, LOS ALTOS HILLS, CALIFORNIA

THE STAR-SPANGLED BANNER

O say can you see by the dawn's early light,
What so proudly we hailed at the twilight's last gleaming,
Whose broad stripes and bright stars through the perilous fight,
O'er the ramparts we watched, were so gallantly streaming?
And the rockets' red glare, the bombs bursting in air,
Gave proof through the night that our flag was still there;
O say does that star-spangled banner yet wave,
O'er the land of the free and the home of the brave.

Composed by Francis Scott Key

LIFT EV'RY VOICE AND SING

Lift ev'ry voice and sing
'Til earth and heaven ring
Ring with the harmonies of Liberty
Let our rejoicing rise
High as the list'ning skies
Let it resound loud as the rolling sea
Sing a song full of the faith that the dark past has taught us
Sing a song full of the hope that the present has brought us
Facing the rising sun of our new day begun
Let us march on 'til victory is won

Written by James Weldon Johnson

Music by John Rosamond Johnson

ALMA MATER

Oh, Foothill we raise our voices in praise
For all of the joys we've known.
Your scarlet and black will welcome us back,
No matter how far we may roam.
By the bay and the blue of Pacific's shore
Lies the campus we'll love forever more.
Oh, college so fair, there's none can compare
With you, alma mater we love.

*Music and lyrics originally composed by Foothill College
instructors Fred Warren and Melvin Applebaum*

JOSHUA CONTRERAS, A.A.-T. | Class of 2022 | Foothill College

Joshua Contreras is a first-generation Mexican American student who started his journey at Foothill College in the Fall of 2019 as a part of the Puente program. He is an English and Kinesiology major pursuing a career in teaching. Joshua served as the Associated Students of Foothill College (ASFC) Vice-President of the Inter-Club Council from 2020 to 2021. He continued his service into his 3rd and last year on campus, serving as the ASFC Student Rights Officer from 2021 to 2022. Although he is greatly involved with many on-campus positions, off campus he is a martial artist that focuses on American Kenpo Karate, Brazilian Jiu-Jitsu and boxing. He carries a lot of lessons from his martial arts and applies them to many aspects of his life, from leadership, education, and wherever he finds himself. Joshua has prided himself on the main lessons he has learned through discipline, determination and dedication to accomplish his goals.

CLASSIFIED SPEAKER

ADIEL VELASQUEZ, B.A. | School Relations Specialist | Outreach

Adiel Velasquez is a Foothill alumnus and first-generation college graduate. Raised in East Palo Alto, he attended Foothill Middle College his senior year of high school and went on to major in Psychology and Communications. While at Foothill, Adiel was a member of Associated Students of Foothill College (ASFC), clubs, EOPS and ambassadors. In ASFC, he served as Vice President of Administration and went on to be elected student body President for a year. He transferred to UCLA in 2015 and worked in the UCLA transfer office as an Internship Director. Adiel graduated in 2018 and has been working at Foothill since 2019. During the pandemic, he served as a Dual Enrollment Coordinator and now works as Foothill's School Relations Specialist with the Outreach Department.

FACULTY SPEAKER

ALLISON HERMAN, M.A. | Instructor | Language Arts

Allison Herman joined Foothill College as a full-time instructor in the English Department in 2013 and teaches composition and literature courses emphasizing human rights and literary activism. She is currently serving as Research and Service Leadership Symposium Co-coordinator and has developed additional campus-wide events and programs that foster student engagement and equity, such as Foothill's Human Library and English Summer Bridge. She earned her bachelor's degree in English literature from UC Berkeley and a master's degree in English literature from San Francisco State University, with certificates in the teaching of composition and post-secondary reading. While in graduate studies, she taught at San Quentin Prison through the Prison University Project, where she witnessed the power of education in advancing social justice. As a former community college student who began her academic career at Santa Barbara City College, she believes in equal opportunities for quality education and is proud to be part of the Foothill family, surrounded by innovative students and colleagues who bring joy and inspiration to her work.

THE BACHELOR OF SCIENCE DEGREE

Today marks Foothill's fifth graduating class receiving a bachelor's degree in dental hygiene. In 2015, Foothill was one of 15 California community colleges selected to offer a baccalaureate program. Students acquire the necessary skills, knowledge and practice in their field for a fraction of the cost of a four-year university or college. Foothill's dental hygiene program has received accolades from the California Community College Chancellor's Office for the attainment of post-college outcomes in employment, earnings gains and regional living wages. Students may enter the job market immediately or choose to pursue a graduate degree upon completing board exams and licensing requirements.

THE ASSOCIATE DEGREE

Earning the associate degree represents more than an accumulation of units. It symbolizes the successful completion of established patterns of learning designed to develop capabilities and insights. Among these are the ability to think and communicate clearly; use mathematics; understand the modes of inquiry of major disciplines; be aware of other cultures, eras and places; gain insight into ethical problems; and develop self-understanding. In addition to all these, the student focuses on one field of knowledge in sufficient depth to contribute to lifetime interest. Additionally, the associate degree for transfer guarantees the student admission with junior standing to the California State University system.

ACADEMIC REGALIA

In the 12th and 13th centuries, when universities were under the jurisdiction of the church, students wore habits, or cloaks with hoods, which were designed to provide warmth in unheated buildings. The more colorful modern academic costume originated at England's Oxford and Cambridge universities in the 1300s, and has been used continuously in the U.S. since colonial days.

The Mortarboard

The mortarboard represents no particular degree or school, except that the short, gold tassel is worn only by holders of the doctorate degree. The tassel may be worn on either side of the cap.

The Gown

The gown itself is usually black for all holders of baccalaureate or higher degrees. Bachelor's and master's degrees styles differ little, but doctorate gowns are faced with velvet panels and velvet bars on the sleeves.

The Hood

Only the hood itself shows by its length and colors the distinction among degrees, academic majors, and colleges or universities that conferred the degrees. The higher the degree, the longer the hood and the wider the velvet facing that outlines the hood. The color of the velvet facing denotes the academic area in which the degree was awarded. The colors of the satin lining in the hood are the colors of the school where the degree was awarded (e.g., Stanford University colors are cardinal and white; University of California, Berkeley, colors are blue and gold).

Field Colors

Field colors that symbolize academic areas of study are as follows:

Arts, Letters & Humanities	White
Business	Light Brown
Dentistry	Lilac
Drama	Brown
Economics	Copper
Education & Counseling	Light Blue
Engineering	Orange
Fine Arts	Brown
Journalism	Crimson
Law	Purple
Library Science	Lemon
Mathematics & Physics	Gold
Medicine	Kelly Green
Music	Pink
Nursing	Apricot
Philosophy	Dark Blue
Physical Education	Sage Green
Public Administration	Peacock
Science	Gold
Social Science	Citron
Speech	Silver
Veterinary Science	Gray

A LEGACY OF INNOVATION

In 1957, founding Superintendent Dr. Calvin C. Flint surveyed the 122-acre site that would soon be transformed into one of the nation's preeminent community colleges. He envisioned a campus that would foster innovation and academic excellence. As Foothill celebrates our 62nd annual Commencement Ceremony, we renew our commitment to that legacy of innovation.

From our first graduating class of 37 students in 1960, Foothill has grown to serve approximately 10,000 day, evening, and online students each quarter. Foothill is a nationally recognized leader in educational excellence. This recognition is due to the exemplary work of our dedicated faculty and staff and the talents of the extraordinary students who graduate each year.

This year, we also celebrate the fifth cohort of students who will receive a Bachelor of Science degree in Dental Hygiene. Foothill College is one of 15 community colleges offering baccalaureate degrees in the State of California.

Founded on the principle of educational opportunity for all, Foothill College provides quality education with an equity focus. The physical beauty, architectural integrity and hilltop location of Foothill College symbolize the distinction and innovation that are the essence of the college's academic programs and services.
