AI Usage Survey

SLI and the STEM Division are working with some partners to bring a culture of using AI tools to Foothill. We would like to know how students, staff, and faculty are using AI tools in their everyday lives. Please help us get a good amount of feedback by filling out this anonymous survey.

Scholarship Opportunity for AMIA 2024 First Look Program

Sept 16
12 PM - 1 PM

S Undergraduate students interested in informatics or STEM, as well as those in medical and nursing schools, are invited to apply for the 8th Annual First Look Program. This initiative aims to support women, including transgender women, and students from BIPOC backgrounds by providing free registration to AMIA's Annual Symposium from November 9-13, 2024. Enjoy networking opportunities, a \$150 honorarium, and complimentary student membership with AMIA. Apply by October 18, 2024—space is limited!

Conference for Engineering Diversity (CED) 10th Anniversary

Oct 19
8 AM - 5:30 PM
SJSU Student Union Ballroom

E CED offers a unique platform for students in Engineering and technology fields to engage in professional and personal development through a variety of workshops tailored to the demands of Silicon Valley. This year's theme, "Diverse Voices, Unified Vision: Engineering Excellence Through Inclusion," highlights the importance of diversity in driving innovation and excellence in engineering.
