On March 14, 2019, the Associated Students of Foothill College Campus Council approved the budget for the fiscal year 2019-2020.

The goal of ASFC is to allocate funds intelligently and thoughtfully so that Foothill College students can receive quality services, support programs and engaging events. We hope that our efforts translate into the cultivation of a welcoming atmosphere and a positive learning environment. The allocation of funds was discussed with these goals in mind. Additionally, we were able to access and spend down a portion of our Fund Balance.

The manner in which ASFC provides funding to the campus community is based on our mission-based vision & goals, which are approved and adopted by members of ASFC every year. Our deliberation process began much earlier than previous years. We wanted to ensure that every decision we made was in accordance with our mission based vision and goals so we began our process in early Fall. This year, the budget development process went smoothly thanks to the collaborative work done by the budget team.

**ASFC Budget Notes
For Fiscal Year 2019-2020**

1. A general stipulation pertaining to all income generating programs: If the income target for a particular fiscal year is met, the surplus of income, upon request and approval of ASFC Campus Council, can be utilized as the program sees fit.
2. ASFC has budgeted 7.0 % of the projected income to an unallocated reserve line item. This account is primarily used for sports championships and unforeseen fund request that are provided and or not provided for in existing line items. Once a student organized event or program has established itself (typically 3 years) a new line item will be considered during the next budget development process.
3. The OwlCard Income projection is derived using projected enrollment figures and previous years' student identification card sales based on the \$10 per quarter student body fee.
4. ASFC receives interest on the fund balance that is placed in a trust account, which is invested in the Santa Clara County Treasury Trust, in accordance with the Government Code sections 16305-16305.7. The California Education Code (section 76063) titled Deposit of Investment of Student Funds allows for student organizations to participate in such investments. Further information regarding the management and portfolio of the Santa Clara County Treasury Trust can be obtained from the Controller-Treasurer Department of the Finance Agency in the County of Santa Clara.
5. \$200 Annual Grant Funds and \$50 Seed Funds. Please refer to the Inter Club Council.
6. \$500 Special Activities Funds. Please refer to the Inter Club Council.
7. \$1000 Organization Project Funds. Please refer to the Inter Club Council.
8. These funds will provide leadership development opportunities for students who cannot be supported by the Student Representation Fee.
9. Will be utilized on major special projects which may arise in the upcoming years.
10. Membership dues for state and national organizations that will allow regional and national student representation will come from the Student Representation Fee – a voluntary fee collected quarterly from the student body at large.
11. We are creating a Student Services Support Reserves (established 2018-19) of \$75,000 from our Fund Balance, as advised by the Board. We are creating this fund in solidarity

with the campus and in line with the budget reduction principle of students first. This fund is intended for larger requests to help spare programs and services that might otherwise be cut while also protecting the rest of the budget. This fund is being created to help ease the college's three-year transition to a reduced budget, and we suggest this line item be adjusted to \$50,000 this year, \$25,000 the next, and then absolved.
